

Company Profile

Airways office is an international Travel Blog and Information resources of all airlines. From the beginning of 2013, we are a reputed member of the International Air Transport Association (IATA). which consists of 278 airlines all over the world and 118 nations. Since 2013 our team working with “Travel Technology” and “Travel Inventory”. We not only grow tourism activities but also we have taken the challenge to develop the aviation industry. We are officially connected with the International Air Transport Association, which runs intensive lobbying campaigns to support many details of airline operations. Major policy initiatives include passenger rights, emissions trading, security, aviation charges, airport slots, the benefits of aviation. We maintain the standards and quality of service in the aviation trade. Today’s Airways Office is a huge source of Travel Information. The users get all kinds of airlines and travelling information from the website. We Believe aviation the business of freedom. Our mission is to represent, lead, and serve the travel and aviation industry.

What are we?

- We are an IATA-registered Travel Agent and we are working to develop the travel and aviation industry.
- We provide Travel services such as Airlines information, Air ticket booking, issue, reissue, cancellation, and travelrelated solutions
- Provide travel GDS system, API development, white level solutions, and travel website Development.
- We train people to develop a career in the travel industry.
- We represent, lead, and serve the travel and aviation industry. • Deliver, what we promise within a short time frame.

How Do We Work?

Airways Office is an information resource for all Airlines and the Tourism Industry. We are officially connected with the aviation industry who is a sales agent of almost all airlines. People choose us for Air ticket booking, issue, reissue, refund, and other travel information. We always ready to provide service via mail, phone call, website, and social media. We ensure a passenger global standard service and quality at the best price. As an International travel blog company our clients can book Hotels and Holiday Packages from our website. It's an open information resource for the aviation and tourism industry.

For Global standard maintain we have taken 2 IATA (International Air Transport Association) membership to supply the inventory, And another hand we are a member of BASIS (Bangladesh Association of Software and Information Services) to support travel technology. We believe the Travel business is a combination of travel inventory and technology. So we try our best to serve the best deal with the best price guarantee.

“zooFamily” is a non-profitable B2B travel business module, which created a community with travellers, aviation, and travel industries. With our passion, we build this family as a profession!
