4 Sight Technology Limited, your trusted IT solution integrator. We specialize in seamlessly blending technologies to create cohesive and efficient systems tailored to your business needs.

About Company

4 Sight Technology Limited, we pride ourselves on being your trusted IT solution integrator, crafting bespoke technological landscapes that fuel your business ambitions. Our expertise lies in the art of seamless integration, where we blend cutting-edge technologies to construct cohesive systems tailored precisely to your unique requirements.

Step into a world where innovation knows no bounds. With our guidance, your business transcends limitations, unlocking new realms of efficiency and productivity. We don't just offer solutions; we architect experiences that redefine the way you operate, empowering you to navigate the digital landscape with confidence.

Welcome Message

Mohammed Assaduzzaman

Managing Director

4 Sight Technology Limited has consistently achieved sustainable profit growth while establishing a robust business foundation, despite operating in a challenging environment. My mission is to continue this trajectory and transform 4SIGHTECH into a leading global technological company. We face ongoing challenges, with the pace and scale of change being unprecedented. To navigate these challenges, 4SIGHTECH has undergone an organizational transformation that includes initiatives such as globalization and restructuring. These improvements will enable us to swiftly identify and address shifts in the landscape.

However, there is still more work to be done. We are steadfast in our commitment to enhance our capabilities and continually evolve, ensuring that we remain agile and ahead of the curve. Together, we will not just face the future—we will shape it, leading 4SIGHTECH into a new era of innovation and success.

Vision & Mission

Vision

Our vision at 4 Sight Technology is clear: we aspire to be the foremost management consulting and technology services company not only in Bangladesh but also on a global scale. We envision ourselves as pioneers in driving innovation and excellence, setting the standard for transformative solutions that empower organizations to thrive in the ever-evolving digital landscape.

Mission

4 Sight Technology, we are driven by a singular mission: to become the most trusted partner in Customer Experience Management and Digital Transformation while placing the experience and engagement of our employees as our top priority. We aim to achieve this by delivering superior, value-added management consulting and technology services solutions, harnessing the latest advancements in technology and leveraging the expertise of top-tier consultants.

Milestone

Over the past three years, our dedicated team has fostered innovation, delivering exceptional solutions and achieving significant growth. Looking ahead, we remain committed to pushing boundaries and surpassing expectations.

2022

Founded in November 2021, our company began its operations in early 2022. The journey from inception to running operations was filled with challenges, but it was also a period of significant growth and learning and achieving customer trust

2023

In the diverse landscape of the IT industry, we excel in engaging with varied customer segments and closing significant deals. Our tailored solutions and strategic approach ensure impactful results, fostering strong, lasting partnerships built on innovation and excellence

2024

our focus is on expanding and refining our IT solution vertical to drive business growth. By leveraging cutting-edge technologies and innovative strategies, we aim to optimize operational efficiency, enhance customer experiences, and accelerate digital transformation.
