INovex's**COMMITMENT**

Our approach focuses on new way of business, thereby combining IT innovations and adoption while leveraging an organization's current assets.

Our team is committed to provide IT Services with:

- ❑ Quality
- ❑ Technology, Innovation, Support

Quality

Our main emphasis is to deliver best quality in every project we undertake. With our time tested business methodology, and structured solution building approach, we ensure to maintain our global business standards. We follow upmost development methodology in technology market clear and transparent documentation of each and every stage of development from stretch to final deliverable.

Technology, Innovation & Support

Technology leadership is the most successful strategy to challenge competitors and consolidate our position since business and technology work hand in hand. Our firm's belief in this synthesis has motivated and enabled us to deliver solutions with a decisive competitive advantage. INovex Idea Solution, today, is a new generation framework of technology innovators to accelerate growth.

In our each project, we emphasize on innovation. Our structured team works with a methodology and knowledge to innovate and deliver excellent services.

We are committed to provide development and tech-support teams to software and high-tech companies with the required infrastructure at a competitive rate. We provide a wide range of profiles including project managers, project leads, Technical leads and Software Engineers. On the support side, we provide Team leads, Senior, and Junior Technical support personnel on a 24 x 7 basis.

Values

Quality | **Technology** | **Innovation** | **Customer Satisfaction** | **Win together**

We aim to be the best at what we do. INovex has a dream of evolving into a Global IT Company, ensuring that the solutions being delivered include best practice in IT with the chosen area of technology.

- ❑ We operate with complete focus to Maximize customer satisfaction.
- ❑ Develop and encourage an environment of mutual respect within company and extending it beyond to clients.
- ❑ Encourage commitment and personal learning of workforce.

We are proud to have built our organization on the strong pillars of integrity, honesty and self-respect.

Mission

To produce excellent services in the field of IT Services and Consultancy with maximum efforts driven towards customer satisfaction.

Vision

To build upon a reputation of being one of the most innovative IT Solution and Service provider. We believe in doing our work in the most efficient way with robust and structured methodology, with gradual evolution from hard-work to smart- work culture, at client's end also.

1. About US

INovex Idea Solution Limited is an Information Technology company located in Dhaka, Bangladesh, servicing clients nationwide. INovex Idea Solution Limited starts business as an outsourcing software development team (Business entity name INovex Idea Solution, proprietor: Md. Syeful Islam) founded by Md. Syeful Islam at 2017.

Mr. Syeful has over 15 years of broad experience in the IT field, including 6 years as an owner of IT business. Mr. Syeful is technically proficient in many industry standard IT products, including products associated with: business support software, embedded system development, AI, data science, Cloud computing, block chain, telephony and wireless technology. In addition to his technical expertise, Mr. Syeful Islam brings a number of years' experience in customer support and sales, and a wealth of contacts and associates in the business and IT communities. As a team lead of INovex Idea Solution Limited, Mr. Syeful completed lots of outsourcing project both of web development, Desktop & mobile application, Enterprise application, IT security and Data center setup.

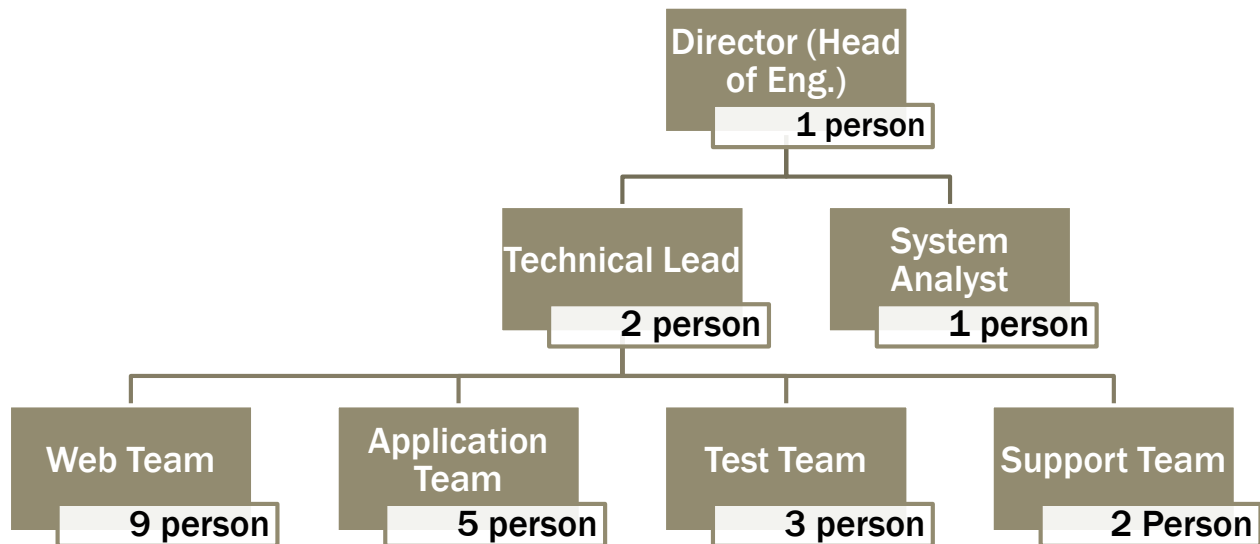

At present INovex Idea Solution Limited run business as a startup IT Company which registered on Registrar of Joint Stock Companies And Firms (Registrar of Joint Stock Companies And Firms (RJSC)) as a Private Limited Company formed 2022. For the very short time INovex completed several project for Government and reputed public and private Companies.

INovex Idea Solution's strength lies in perceiving the client's business processes, culture, vision and goals across the industry segments and offering client oriented solutions, which are highly reliable. We commenced operations in 2017, to provide consulting and IT services to clients - globally as partners to conceptualize and realize technology driven business transformation initiatives. With a rare mix of domain, technology & project management experts, we bring the most complete team to bear on every project we take on. Business & technology experts, from some of the best universities in the country, bring invaluable insights and expertise into their areas of expertise. Industry veterans, who laid the foundation of the offshore services business, form the backbone of our leadership team. In a business model where people are the growth drivers, we are endowed with one of the most enviable pool of talent from across the country.

INovex Idea Solution Limited is targeting one of the fastest growing segments of the IT sector as the Software Service Provider and IT consultancy market. Regardless of the team composition, INovex will be fully accountable for the integration of technologies and skills required to provide a cost-effective and seamless solution to clients.

INovex Idea Solution Limited is not only equipped with a pool of talent where manpower is concerned, but it also has that infrastructure that assists them to achieve their targets efficiently. The company is equipped with the latest hardware and other related peripherals and uses up-to-date software for its efficient functioning.

2. Development Team Structure

3. INovex Services

INovex Idea Solution Limited delivers quality and timely solutions and services at a price that make our clients smile. INovex focuses on offshore development that allows us to scale up rapidly (leveraging on the plentiful supply of talent and thus cutting down on execution time) at costs that are on an average 70% cheaper.

An in-depth knowledge of various technology areas enables us to provide end to-end solutions and services. With our 'Web of Participation', we maximize the benefits of our depth, diversity and delivery capability, ensuring adaptability to client needs, and thus bringing out the most innovative solutions in every business and technology domain.

INovex is your one stop partner where you can outsource all your support services with complete peace of mind about quality and reliability. INovex Idea Solution's strength lies in understanding the client's business processes, culture, vision and goals across the industry segments and offering client oriented solutions which are highly reliable, creating customer comfort.
