Solutya is committed to becoming your one-stop solution for services ranging from digital marketing of a business to providing web-based services, mobile applications and services in different fields of information technology.

STATEMENTS OF OUR HONORABLE CHAIRMAN

ABDUL MALEQUE BHUINYA

CHAIRMAN

My dream is to establish SOLUTYA as a centre of excellence in the information technology industry by providing state-of-the-art solutions to people's challenges, achieving the trust of our customers and setting a benchmark in customer services that will lead us to be a global brand in the industry.

CEO STATEMENTS

ARIF BILLAH AMAN

MANAGING DIRECTOR & CEO

I am so grateful that you have taken the time to consider partnering with SOLUTYA PVT. LTD. to serve you. While we are proud of our work and the results we will help you achieve ... it is the relationships we build that will endure. I look forward to working closely with you and your team.

Introduction

Solutya Pvt. Ltd. is a young company in Uttara, Dhaka. We Solutya Pvt. Ltd. say we're young because we're peopled by young, energetic, curious, and committed minds who are excited about solving complex business problems ethically. Conceived with a vision to leave behind a legacy of transformed peoples as an organization, we emphasize working in partnership with customers.

We change to match your needs as we say, we very well understand the consequences of this, and we do this to satisfy our client's needs. Our professionals take the time to understand your business needs, suggest re-engineering processes, and develop appropriate, cost-effective solutions.

Our experience has taught us that to provide any solutions; we need creativity and lots of inspired thinking; our experienced professionals, along with the 'let-us-do-it' attitude of the fresh talent, are constantly pushing the horizons. Our values of Integrity, Service, Candor, Kindness, Growth and Continually Increasing Competence govern our behavior towards all our stakeholders.

About Us

Solutya is an emerging software firm in Bangladesh that has produced world-class software for its clients since 2020.

We build customized, interactive, dynamic websites with custom or open source back end. Our customized web-based solutions include Custom Websites, e-commerce portals, Personal or Business portfolios, and management solutions. We also build easy-to-use, fast, and beautiful native and non-native mobile applications for iOS and Android Devices.

Solutya is committed to becoming your one-stop solution for services ranging from digital marketing of a business to providing web-based services, mobile applications and services in different fields of information technology.

Mission

Solutya is an emerging software firm in Bangladesh producing world-class quality software for its clients since 2020. We build customized, interactive, dynamic websites with custom or open source back end. Our customized web-based solutions include Custom Websites, e-commerce portals, Personal or Business portfolios, and management solutions. We also build easy-to-use, fast, and beautiful native and non-native mobile applications for iOS and Android Devices.

Vision

Our vision is to be widely accepted as a brand that provides unique, creative, trustworthy and easy-to-use software services in the IT industry. We have the vision to lead the software industry by solving real-life challenges simplistically, and we are working relentlessly to execute our plans. We want to go above and beyond the expectations of our clients by providing the best solutions for them by making them see things differently.

Our EXPERTS

We're Pretty Awesome!

EXPERT WEBSITE DESIGNERS & DEVELOPERS

THE WEBSITE IS STILL THE HUB OF YOUR DIGITAL PRESENCE. WE ARE ABLE TO DEPLOY AWESOME SOLUTIONS BECAUSE WE HAVE AWESOME "WEB GUYS".

DIGITAL MARKETING STRATEGIST

AMAZING RESULTS START WITH AMAZING STRATEGIES. WE'VE WORKED WITH THE TOP COMPANIES IN THE WORLD. MANY OF THEM USED US SPECIFICALLY FOR STRATEGY!

EXPERT APP DEVELOPERS

A MOBILE APP DEVELOPER USES PROGRAMMING LANGUAGES AND DEVELOPMENT SKILLS TO CREATE, TEST, AND DEVELOP APPLICATIONS ON MOBILE DEVICES.

SOCIAL MEDIA EXPERTS

GROWING YOUR SOCIAL FOOTPRINT AND CREATING ENGAGED FOLLOWERS IS AN ART AND A SCIENCE. YOU NEED A TALENTED TEAM LEADING THE CHARGE.

SEO EXPERTS

RANKING AT THE TOP OF GOOGLE REQUIRES SKILL AND PERSISTENCE.

SKILLED CONTENT WRITERS

GREAT CONTENT IS THE ENGINE THAT MAKES EVERYTHING RUN. YOUR WEBSITE, SALES MATERIAL, EMAIL BLASTS, SOCIAL MEDIA POSTS, ETC. – ALL NEED GREAT CONTENT WRITING.

Who We Are

Our software team is specialized in producing software to assist you in operating your entire industry smoothly.

Our development team consists of experienced and qualified system analysts, application developers, solution developers, database administrators, programmers, and testers. Almost all of them are certified professionals in their respected areas, including MCAD, MCSA, MCDBA, OCP, etc. In each step of development, we use creative ideas, cutting-edge technologies, and proven methodologies. It rests assured that the software will be top-rated and user-friendly.

What We Do

We have a wide array of services to offer our clients. But we can generally boil all of our services down into one of these 3 general categories:

DIGITAL STRATEGY

We help you develop a winning strategy that maximizes your effectiveness while minimizing the time and money required to achieve your goals.

WEBSITE DESIGN & DEVELOPMENT

Our award-winning design team will create the best looking and most effective website possible – for your situation.

DIGITAL MARKETING

Simply stated, we get results. Whether you are looking for more website traffic, more leads, more sales, more social followers, higher engagement rates, higher email open rates ... whatever your needs – we get it done. Guaranteed.

What We Do..

App Development

Developing innovative and native mobile Apps for Android, iOS, BlackBerry, and Windows platforms. Starting with our in-house application, we have worked on several applications for corporate clients and several competitions. From generating ideas to planning and all the way to finish implementation is done by us.

IT Training

One of the biggest challenges of the 21st century is getting skilled manpower who will lead the nation and keeping this in mind, we are committed to ensuring the best suitable training programs for our youths. We have a bunch of brilliant industry professionals working with us since 2019 to achieve this milestone in a sophisticated way.

Analytics

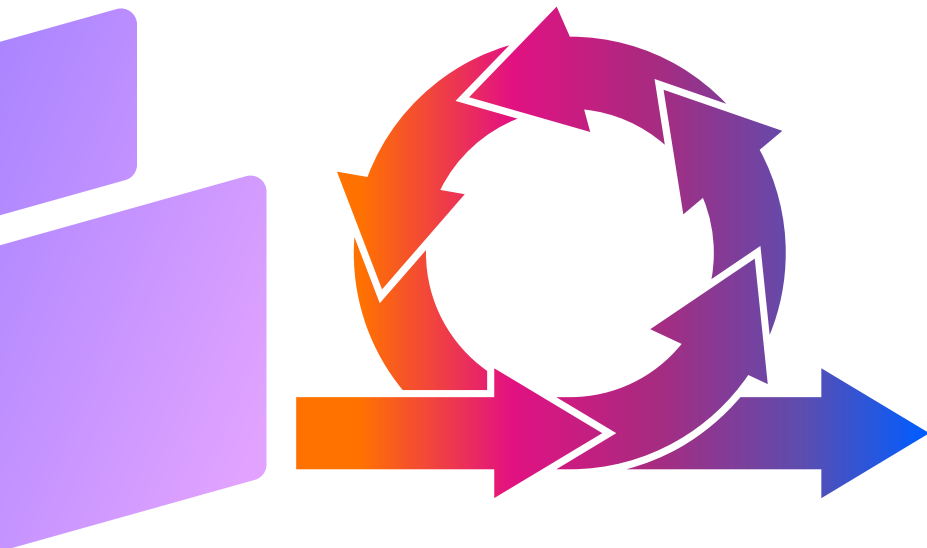

We always use the latest and best technology for our clients so that our customer gets updated product.

OUR CLIENTS SEE SOFTWARE AS A SOURCE OF GROWTH, AS A WAY TO CREATE THEIR NEXT FLAGSHIP PRODUCT.

Why Choose US

SOLUTYA is an organization of highly expert and talented people for experience the excellent standard that we cherish. SOLUTYA promises to understand the necessity and deliver it most satisfactorily. We are also proud members of the BASIS platform.

We, at Solutya, always strive for the best. Satisfying our honourable clients is what we promise most.

Understanding clients' requirements, providing an easy-to-use system with the most unique industry-leading features, and finally offering the most accurate product to our customer is a key strength that differentiates us from others.

BASIS 

HOW WE WORK

PRODUCT BACKLOG CREATION

01

BEFORE ANY PROJECT WORK BEGINS, WE NEED TO CREATE A PRODUCT BACKLOG. IT REPLACES THE TRADITIONAL REQUIREMENTS SPECIFICATION ARTIFACTS. THIS IS ESSENTIALLY A LIST OF THE GOALS THAT NEED TO BE ACHIEVED IN ORDER TO CREATE A FINISHED PRODUCT. THESE ARE THE LIST OF EPICS OR STORIES LISTED IN ORDER OF PRIORITY. WE CONDUCT BACKLOG REFINEMENT SESSIONS TO ENSURE THAT IT CONTAINS THE APPROPRIATE ITEMS, ARE PRIORITIZED AND THAT THE ITEMS AT THE TOP ARE READY FOR DELIVERY.

SPRINT PLANNING -SPRINT BACKLOG CREATION

02

SPRINT IS AN ITERATION, A TIME-BOXED EFFORT IN WHICH WE PRODUCE A SPECIFIED WORKING SOFTWARE. DURING A SPRINT PLANNING SESSION, WE SET A SPRINT GOAL AND CREATE A SPRINT BACKLOG FROM THE PRODUCT BACKLOG. SPRINT PLANNING IS A COLLABORATIVE EFFORT INVOLVING THE DEVELOPMENT TEAM, SCRUM MASTER AND THE PRODUCT OWNER TO CLARIFY THE DETAILS OF THE USER STORIES AND THEIR RESPECTIVE ACCEPTANCE CRITERIA.

SPRINT PLANNING - TASKS DENOMINATION

03

IN THE SECOND PART OF THE SPRINT PLANNING SESSION, WE BREAK DOWN THE STORIES IN SPRINT BACKLOG INTO TASKS WHICH CAN BE TRACKED EASILY. THE TASKS ARE THEN CHECKED FOR DEPENDENCIES AND THE REQUIRED TIME IS ESTIMATED. WE MAY ALSO UPDATE THE SPRINT BACKLOG AS MORE DETAILS ARE VISIBLE AT THIS POINT. AFTER THAT, WE UPDATE THE SCRUM BOARD WITH STORIES IN STORY TO DO SECTION AND TASKS IN THE TASK TO DO SECTION. THE SCRUM BOARD IS USED AND UPDATED DURING THE WHOLE SPRINT.

WORKING ON THE SPRINT

04

THIS IS THE TIME WHERE THE ACTUAL CODING, TESTING, UI DESIGNING, TECHNICAL WRITEUPS ETC. ARE PERFORMED. WE STAND FOR 5-MINUTES DAILY SCRUM MEETINGS TO SYNC EVERYONE WITH THE LATEST DEVELOPMENT, IMPROVE COMMUNICATIONS, ELIMINATE OTHER MEETINGS AND IDENTIFY IMPEDIMENTS TO DEVELOPMENT FOR REMOVAL, HIGHLIGHT, AND PROMOTE QUICK DECISION-MAKING. WE TRACK OUR DEVELOPMENT WORK IN THE SPRINT BOARD, REMAINING HOURS ARE PLOTTED IN A BURNDOWN CHART.

TESTING AND DEBUGGING

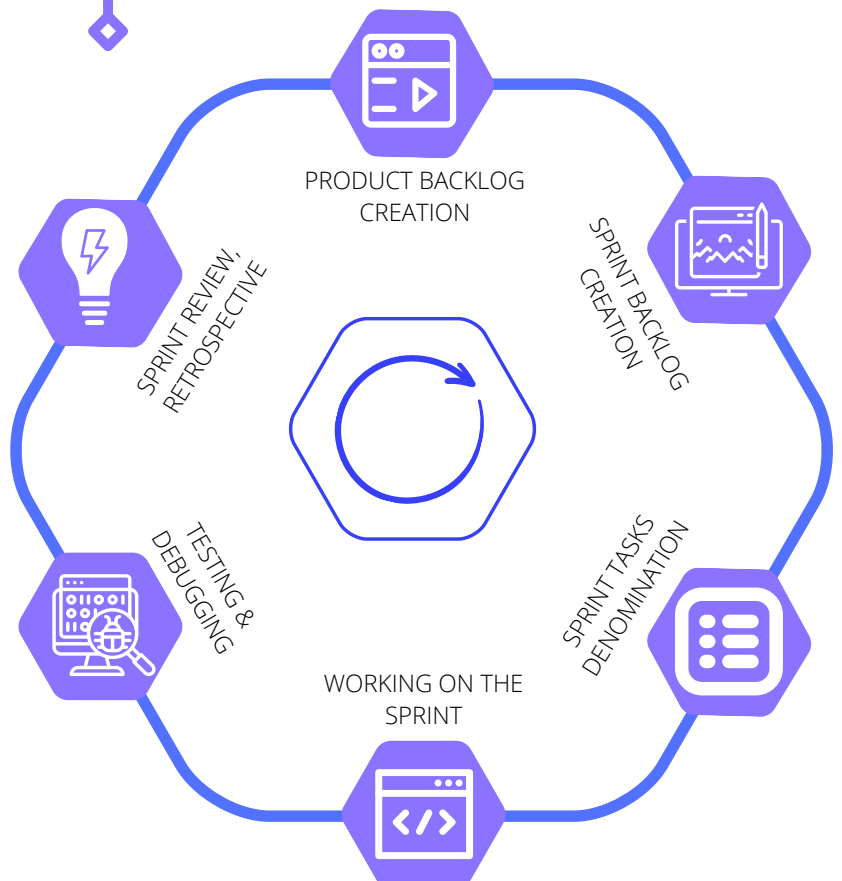

05

THIS IS NOT A SEPARATE PHASE AT THE END OF CODING AS DONE TYPICALLY, RATHER IT IS DONE INSIDE THE SPRINT. WHEN THE STORIES ARE READY FOR REVIEW, THEY ARE TESTED ACCORDING TO THE ACCEPTANCE CRITERIA OF THE STORIES. THE BUG IS FIXED AND RETESTED IF REQUIRED. WE PERFORM THE INTEGRATION AND REGRESSION TESTING WHEN ALL STORIES IN THE SPRINT ARE DONE. IT ENSURES THAT THE DELIVERABLE OR INCREMENT IS IN WORKING CONDITION AND READY.

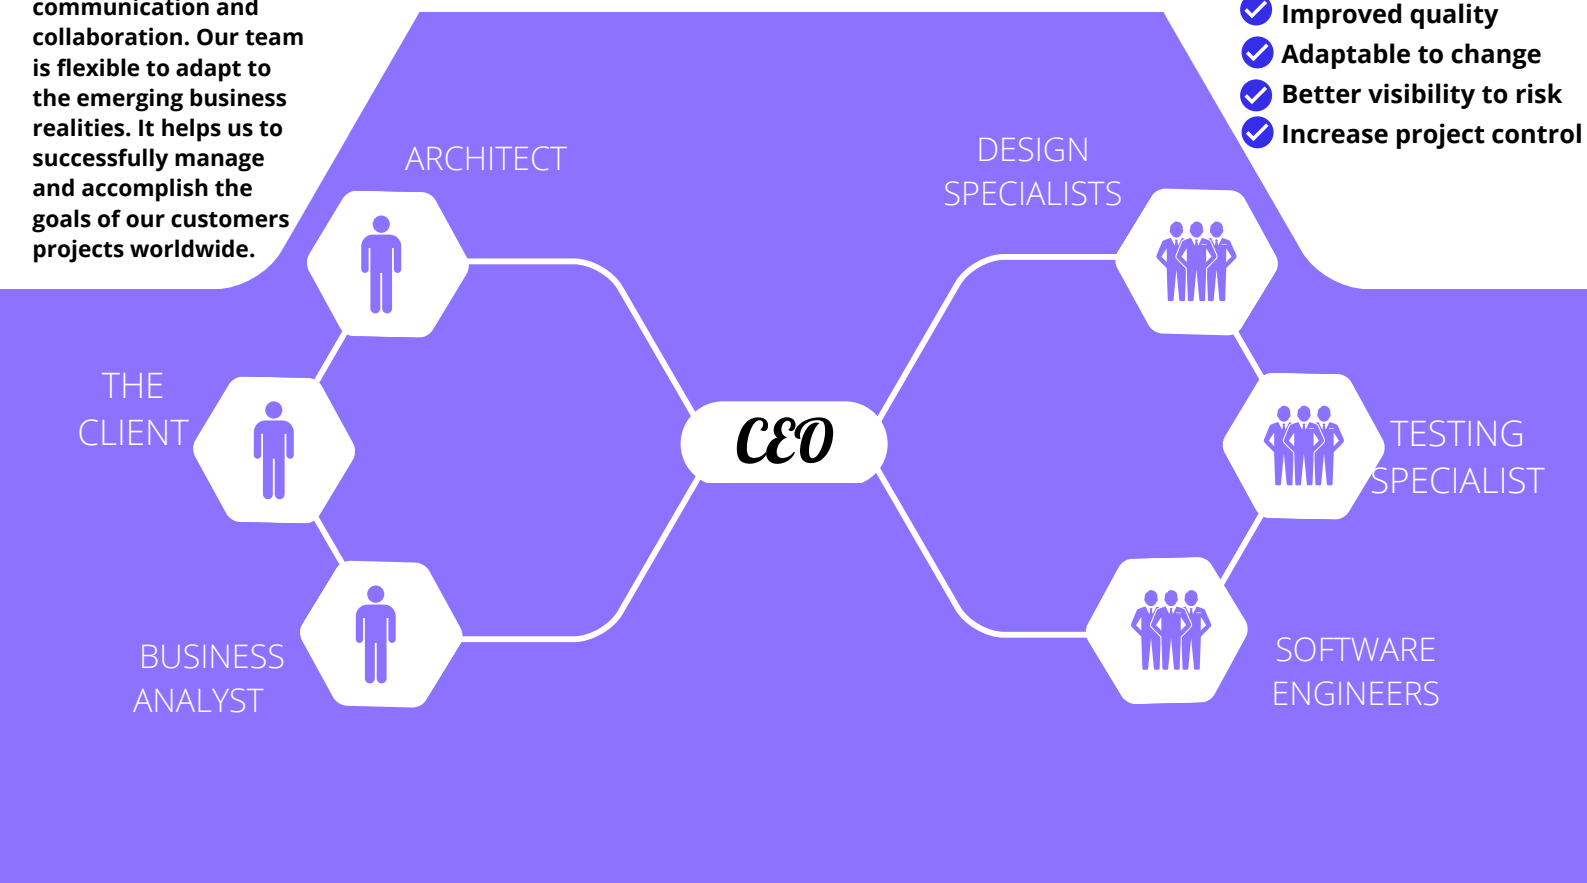

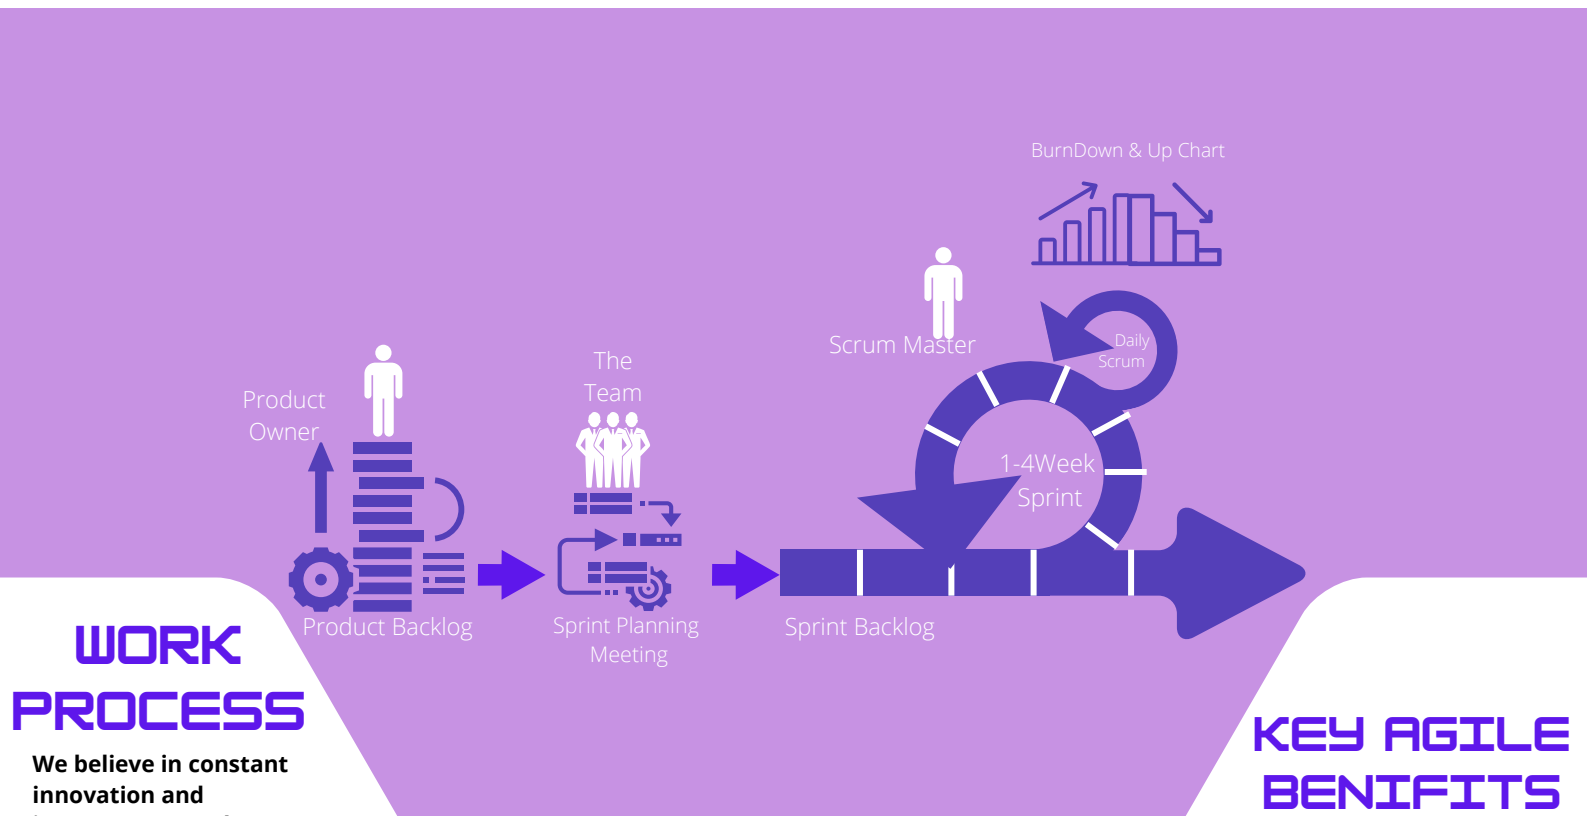

SPRINT REVIEW, RETROSPECTIVE

06

AT THE END OF THE SPRINT, WE HOLD A SPRINT REVIEW SESSION WHERE EVERYONE IS INVOLVED. IN THE SESSION, THE WORK IS DEMONSTRATED. WE ALSO PLAN FOR ANY CHANGES THAT NEED TO BE DONE ACCORDING TO FEEDBACK. WE HOLD A SPRINT RETROSPECTIVE SESSION AFTER THE SPRINT IS CONCLUDED TO SEE WHAT WENT WELL, WHAT WENT WRONG AND WHAT CAN BE IMPROVED IN THE PROCESS. IT ENABLES US TO CONTINUOUSLY EVOLVE AND IMPROVE.

Our Work Flow

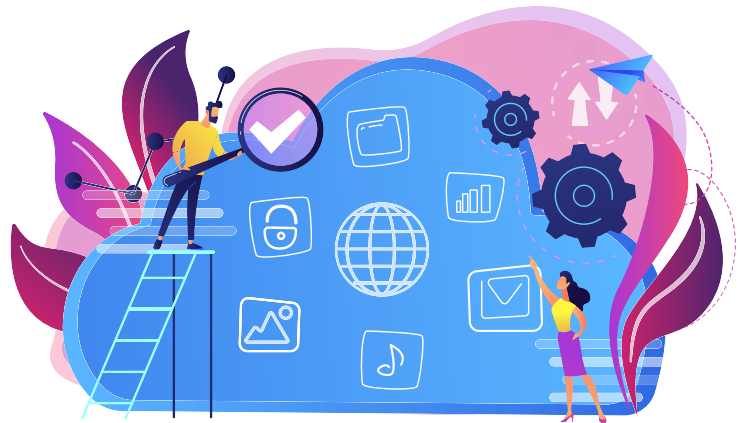

BUSINESS TEAM

MR. ARIF BILLAH AMAN, our CEO is responsible for managing the business team. He also plays the role of both Software Architect and Business Analyst at our end. He is the primary point of contact at our end for both business and technical issues.

DEVELOPMENT TEAM

The development teams are cross-functional and formed with members from different specialties as needed. In cases when customers are not available for the role of a product owner in an agile environment, Arif Billah Aman does all needful communications with them and acts as a PO.

Clientele
