

**“COMMITTED TO SOCIETY
COMMITTED TO THE FUTURE”**

Company Profile

OUR HISTORY

Starting from 2016, our team was a part of Bangladesh's first Team Sourcing concern which was a small offshore development company (mainly focused on the Japanese market) satisfying clients' needs. Our independent journey started in 2019, with brand new decoration & title AriSaf Tech.

MISSION & VISION

To win customer confidence with ensuring quality products and best experience and to Apply best approach to learn and adopt technologies.

MAKE A BETTER WORLD WITH EDUCATION, TECHNOLOGY

Unleashing the infinite potential of all people, with the power of knowledge and technology.

Working to Build Better Software

Web & Desktop Development

Top notch software development services to deliver robust web & desktop applications ensuring exquisite user experience.

Embedded Systems & IoT

AriSaf Tech Ltd. provides high quality embedded systems design & IoT solutions.

Mobile Application Development

We make sure to provide fast & personalized mobile app development services with best-in-class results that run seamlessly over different platforms.

Cloud Services

Optimizing clouds is challenging, but not with AriSaf Tech Ltd. Scale higher, faster, & easier.

DevOps

Our DevOps team creates the right frameworks to facilitate high-impact CI/CD practices.

Artificial Intelligence

Besides developing web, desktop & mobile phone based solutions, we build end-to-end AI solutions irrespective of the platform.

Software Testing & Quality Assurance

Just build your dream & keep the rest for us. From functionality to security we have got you covered.

UI/UX & Graphic Design

We create products and apps with an extensive UX design process that helps attract, engage and delight customers and employees.

Team Sourcing

Need extra hands? Summon us & we are on it.
