ABOUT EYEVARY

Eyevary Limited is a Tech Startup Company, established in mid 2022, focused in Organization and Community Engagement Platform Development, IoT Design & Solutions, AI Powered Solutions, System Integration, and Consulting Services.

Our story began in 2019, when the founder created a prototype solution named “OrgBook” an early attempt to solve a pressing challenge: improving organizational engagement through intelligent digital solutions. This vision evolved into Eyevary Limited, officially registered under the Joint Stock Companies, with a mission to deliver meaningful Solutions for people, businesses, and societies.

Our Mission

Add value to the lives of people, organizations, and society through purposeful technology.

Our Vision

Become an admirable technology company by reaching as many people as possible with value-adding products, services, and solutions.

Company Overview

People: 10+ active members, includes Data Scientist, IoT solution specialist, Software Developer, etc.

Industries: Corporate, Banks, Consulting companies, Government, NGOs, etc.

Operation Office: DOHS Mirpur, Dhaka, Bangladesh
