

Company Profile of Ui Barn

About Ui Barn:

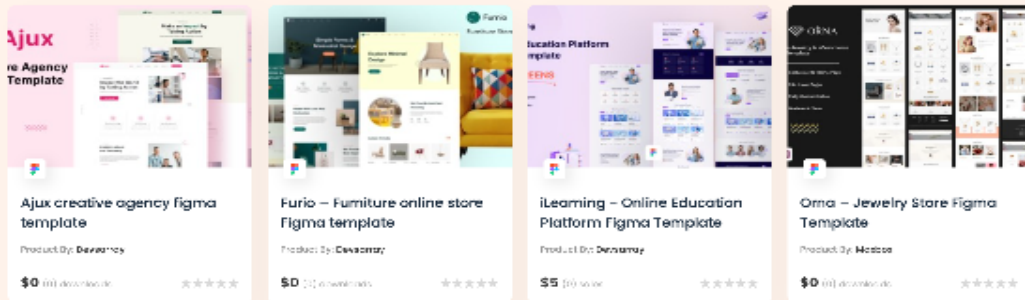

1. Ui Barn is a platform that connects creators and buyers of digital items such as website templates, graphics, animations and other design elements. When you create an account and accept these terms you become a member of our community. You will have an Ui Barn Market account that will allow you to buy or sell or develop items like the ones found on the Ui Barn site and make other related transactions.

2. The Ui Barn Market sites are platforms that allow members to buy and sell licenses to use digital items like **CMS Themes, Ui Template, Coded Template, Elementor Kit, Animation, illustration, icon pack**, much more. On Ui Barn Market, buyers and sellers transact with each other directly and we provide the platform to allow the transactions to happen. If you have an Ui Barn Market account, any transactions are logged on your member's statement, which records the payments made by you to authors via Ui Barn Market (as a buyer) and by buyers via Ui Barn Market to you (as an author).

3. The items on Ui Barn Market are owned by the authors (Product by / Develop by), not by us. The items on Ui Barn Market are uploaded at the direction of the author. We provide the platform services; we do not take ownership of the items.
