COMPANY PROFILE

Overview

Beyond Bracket, a private limited company listed with RJSC Bangladesh is a software and web development company based in Dhaka, Bangladesh. Along with software and web development services, we deliver digital marketing services for those who want to grow their business as a brand. We differentiate ourselves from similar enterprises by our approach towards our clients and employees.

Beyond Bracket is people first company because we put the people who work for us (internal people) and the clients and prospects (external people) above all. We believe in success and actualization via people satisfaction – employees and customers. To achieve our business goal, we're uncompromising in listening and serving our customers to the extent of keeping their dissatisfaction to zero.

In the same way, we at Beyond Bracket always understand our internal people's comforts and benefits as much as we afford to entertain them. There's no letting off in the efforts of empathizing with our clients and employees.

Our Vision

We are determined to build the finest web and software development company for both our internal and external people to the extent that nobody leaves our door unsmiled.

Customer Satisfaction, Our Top Priority

EHSAN

Outsourcing all our digital marketing to Beyond Bracket has been a great relief. They handled everything — from Facebook marketing and ads to website maintenance — helping us grow and generate sales. Most importantly, they deliver what they promise.

Md Hedayetul Islam

We needed a website easy for non-technical users to edit. Mr. Riton and the Beyond Bracket team built a custom WordPress site with custom posts and sections, allowing easy updates to text, images, and links without affecting the design. The site is attractive, with one-click contact from any page.

Asraful Haque

We've been working with Beyond Bracket for our digital marketing for the past two months. They've provided a customized strategy tailored to our ISP business, helping us with both lead generation and brand awareness. Highly professional and responsive team!

Shamsul Sarkar

Beyond Bracket Ltd is a top results-driven digital marketing agency in Bangladesh. Their social media and paid ad strategies brought us quality leads and real sales. Highly recommended for businesses looking to grow online!

THANK YOU
