Our Story: The name of our company is Get-Aid Ltd and it was founded on 13 October 2022. The company was established to carry on the business of import and trading all kinds of IT equipment, export of IT Enabled Services (ITES), IoT Based Automated Services, Software Development, software or application customization, B2B E-Commerce, B2C E-Commerce, E-Commerce Technologies, E Business Solution, Digital Content Development etc. At Get-Aid Ltd. we encouraged our community to become smart by taking our IoT based automated services.

Our Mission and Vision:

Mission: Our goal is to provide our customers with the best smart service at the best possible market price without compromising quality. Our Founder and CEO thinks, it is our dream to build Dhaka a smart city. To make that happen, YOUR Campus is our first project that aims to make student life lot more easier in different segments.

Vision: We are serving the best generation. Our notable vision is to be the most reliable smart IoT based automated service provider and enhance the chance to make our community to become more smart in their daily activities as well as basic needs. We are dreaming a smart community in Bangladesh.

Our Services:

YOUR Laundry: Your Laundry is an IoT-based automated self-service laundry station through which any student can wash his/her clothes by reserving a schedule before the wash. At 30 tk, one can wash up to 20 clothes from this service. But there will be campaigns or discounts from time to time also.

- Serving with 80+ Washing Machines in different university residential halls
- Pay only Tk 30* for a cycle and get your 15-20 clothes cleaned and dry without any hassle

YOUR Shop: Your Shop is a 24/7 automated self-service shop through which students can purchase snacks & beverages and daily necessities like soap, detergent, brushes, toothpaste, shampoo, hair oil and so on at MRP.

- Serving with 150+ Vending Machines
- 100+ Vending Machines are at the university campuses.
- Serving at almost 20 university campuses
- Students can pay through bKash, Nagad, Cards and YOUR Campus App

YOUR Offers: YOUR Offers is a platform for the students from where they can have many products from selected brands with a discounted price and save their money. It's a platform to connect the students and the brands. Our service is exclusively for university students. We connect the students and the Brands. Those brands will be responsible for delivering the products directly to the students. Right now we are serving this at almost 20 Public and Private Universities in Bangladesh.

YOUR Carrier: This is an exclusive program for university students. It will provide guidelines to the students about their future career plans. Again this will work for students to provide part-time work opportunity via third party companies.

Fast Moving Consumer Goods(FMCG):

A non-stop automated solution for the university students for their daily consumable goods like soap, detergent, paste, toothbrush, facewash, shampoo etc. at their doorsteps.

It's a 24/7 automated machine so students can buy their daily consumables anytime by themselves.

Pay through YOUR Campus App

Students will get to buy these products @MRP not more than that.

Time to time there will be offers for them.
