ERP Solution

DhruboPay

ERP Solution

Dhrubo's Enterprise resource planning (ERP) is a business process management software that allows an organization to use a system of integrated applications to manage the business and automate back-office functions related to technology, services and human resources.

Hospital Management Solution

Dhrubo's Hospital Management System is an integrated information system for managing all aspects of a hospital's operations such as medical, financial, administrative, legal, and compliance. It includes electronic health records, business intelligence, revenue cycle management, and other modules.

School Management Solution

Dhrubo's School Management System is a complete school management software designed to automate a school's diverse operations from classes, exams to school events calendar, to grade and knowledge management.

This system is currently under development and we are seeking investment for this.

Hotel Management Software

Dhrubo's Hotel management software is a system that simplifies the tasks by automating all operations of your hotel. It includes multiple features related to the front office, hotel reservations, billing, housekeeping, payments, and more.

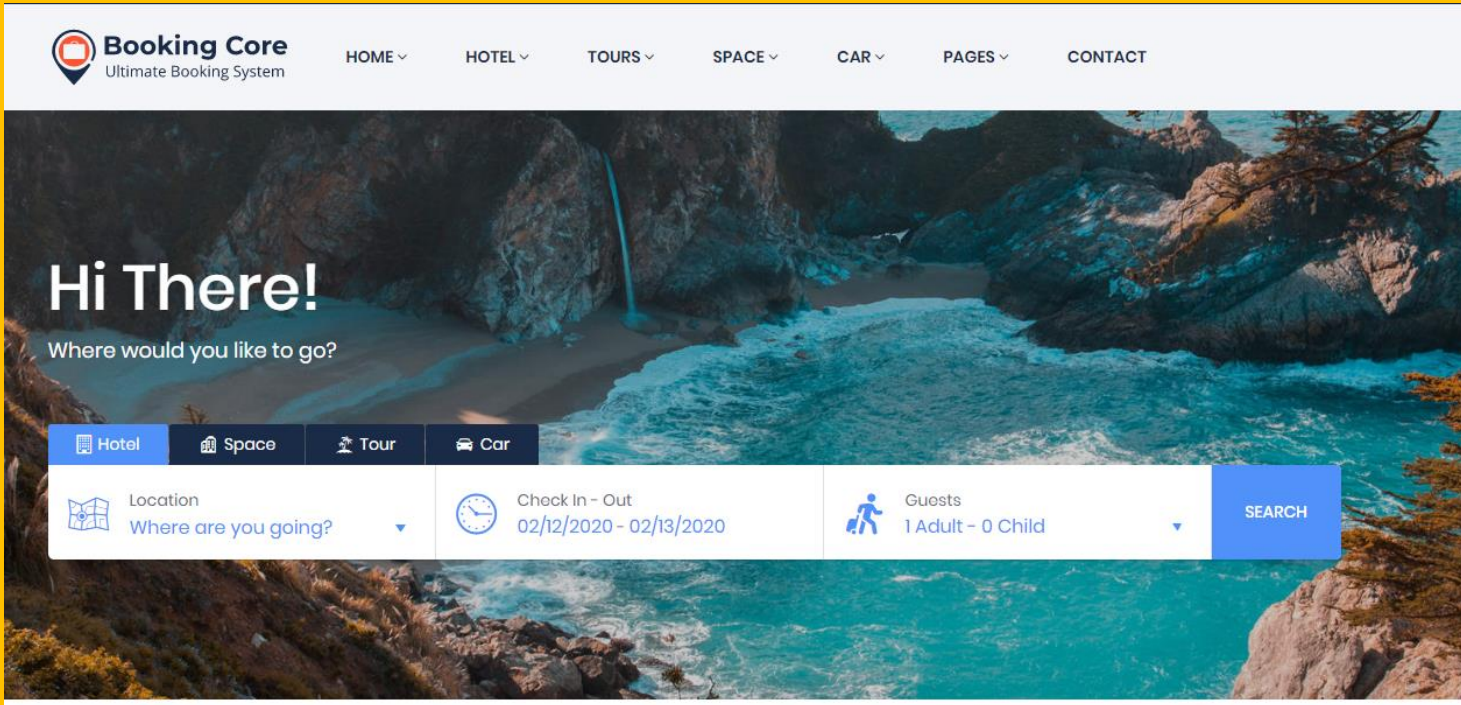

Visitor Management Solution

Our Enterprise Visitor Management Solution helps any organization keep track of the people that visit their location. Our solution shall help organizations of all sizes to maintain security and compliance.

Booking Bangladesh Online Platform

<http://bookingbangladesh.com>

The image shows the homepage of the 'Booking Core' website. The header is white with the 'Booking Core' logo and tagline 'Ultimate Booking System' on the left, and a navigation menu with links: HOME, HOTEL, TOURS, SPACE, CAR, PAGES, and CONTACT. The main banner features a scenic image of a beach with a waterfall and the text 'Hi There!' and 'Where would you like to go?'. Below the banner is a search bar with four tabs: Hotel, Space, Tour, and Car. The search bar contains three input fields: 'Location' with the placeholder 'Where are you going?', 'Check In - Out' with the dates '02/12/2020 - 02/13/2020', and 'Guests' with the selection '1 Adult - 0 Child'. A blue 'SEARCH' button is on the right.
