Our cutting -edge solutions

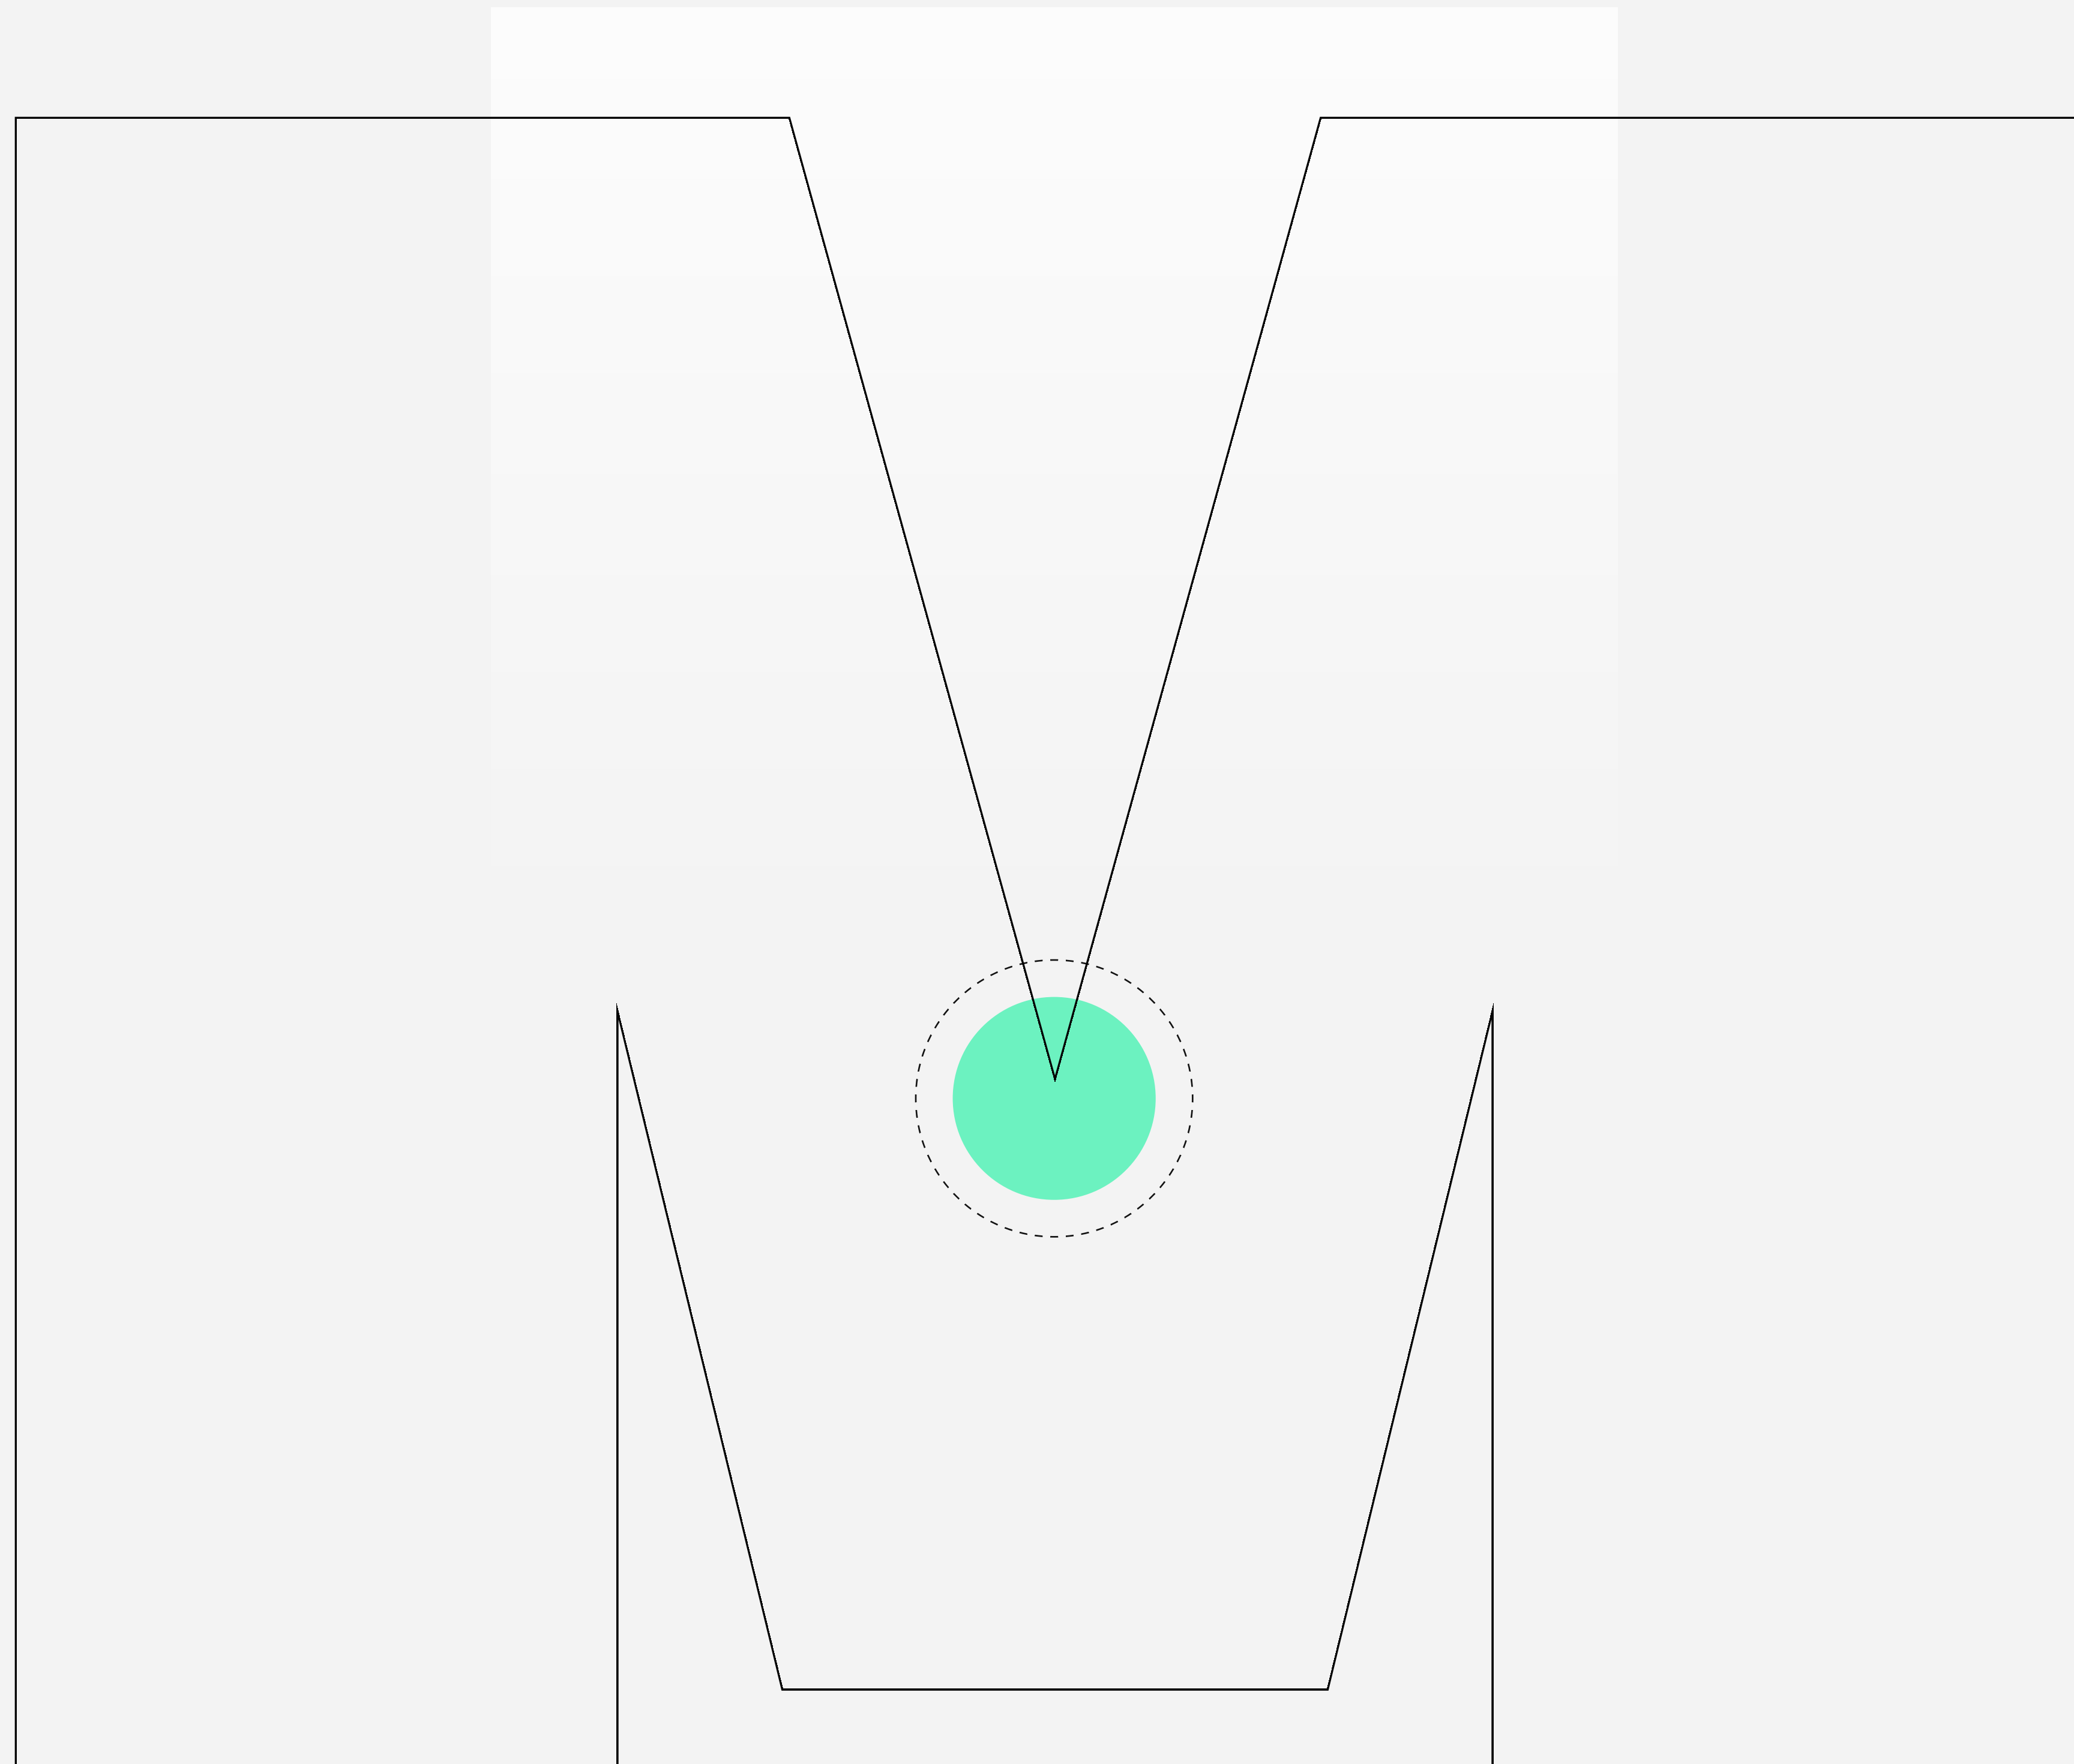

At Tix Ninja, we are not just another ticketing platform. We are storytellers, connectors, and pioneers in transforming fleeting moments into lifelong memories. Founded by a diverse team with over 30 years of combined experience spanning engineering, design, customer support,

sales, marketing, and event management, Tix Ninja stands at the intersection of technology and experiences. Our platform serves as a bridge, connecting passionate enthusiasts with the events they adore, ensuring every ticket bought leads to an experience cherished.

LEARN MORE

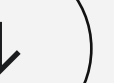

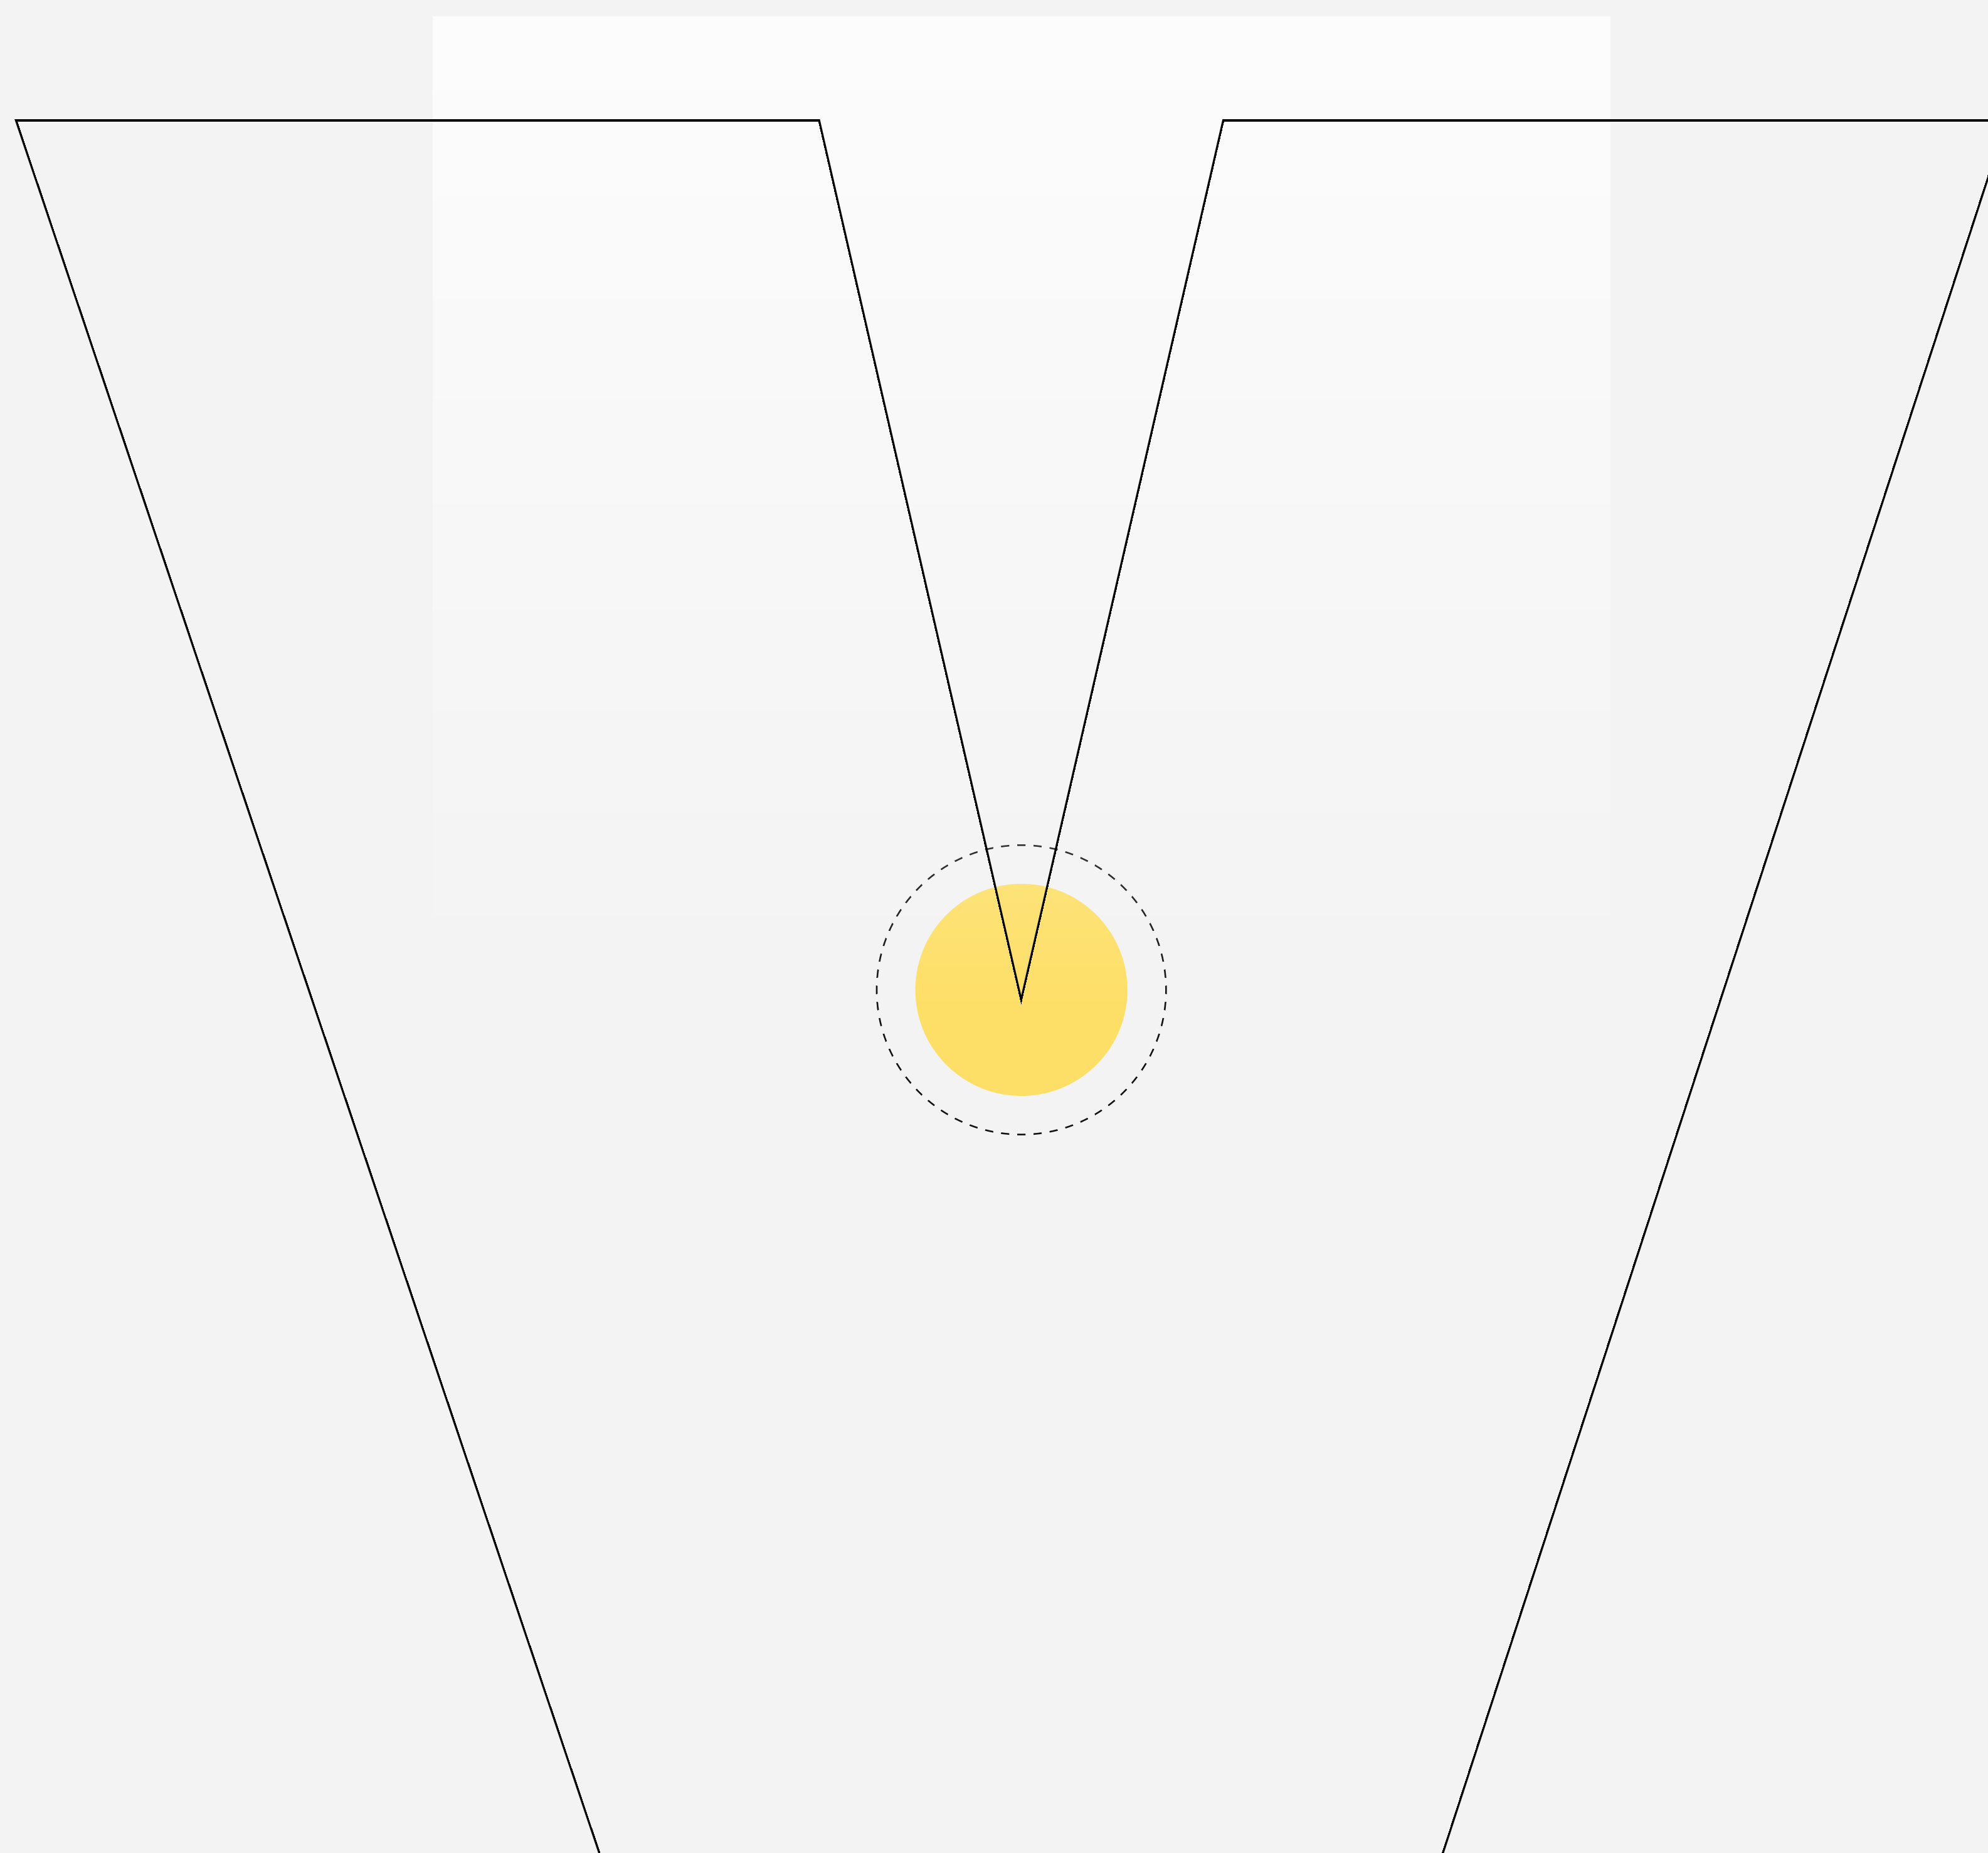

MISSION - REDEFINING THE EVENT HORIZON

In today's fast-paced digital era, acquiring a ticket is just the beginning. Our mission delves deeper. We strive to create an ecosystem where event-goers don't just purchase a ticket, but embark on a journey. Through state-of-the-art technology, intuitive design, and unmatched customer support, we aim to make the ticketing process as effortless as possible.

Beyond that, we envision a seamless integration of anticipation, experience, and reflection – ensuring that each event is not just attended, but truly lived.

VISION - CRAFTING MEMORIES, ONE TICKET AT A TIME

Imagine a world where boundaries between the digital and physical blur, where every click is not just a transaction but the start of an unforgettable adventure. Our vision for Tix Ninja is to be the catalyst in this transformation. We aspire to create a global platform where every event, be it music, theater, sports, or workshops, becomes easily accessible, etching itself as a cherished memory in the heart of attendees.

Through continuous innovation, dedication, and a deep-rooted passion for experiences, we envisage Tix Ninja aligning every heartbeat with the rhythm of moments that last a lifetime.

LEARN MORE

Business Overview

Tix Ninja is a cutting-edge ticketing platform based in Bangladesh, marrying technology with unforgettable experiences. With a rich foundation built on over 30 years of combined team expertise, the platform offers an intuitive interface for event organizers and attendees, complemented by robust mobile applications on both iOS and Android. Users benefit from streamlined transactions

data insights, and an unwavering commitment to security and privacy. While its core remains in ticketing, Tix Ninja stands out with its forward-thinking approach, aiming to soon integrate live event streaming. Operating on a commission-based model, the platform ensures that every ticket purchase transcends a mere transaction, opening doors to cherished memories and unparalleled experiences.

Reliable Solutions

Ticketing platform

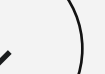

Main Product: Our sophisticated online platform is tailored for both event organizers and attendees.

For Organizers: A user-friendly dashboard allowing easy event registration, ticket price setup, real-time sales tracking, and detailed analytics.

For Attendees: An intuitive browsing experience, streamlined search functionality, and swift checkout process. Each user account provides ticket history, upcoming event reminders, and seamless ticket validation at event entry points.

LEARN MORE

● **Mobile applications**

Designed to enhance on-the-go accessibility:

For Organizers: A complete suite to manage events, verify tickets using QR codes, and access real-time statistics on ticket sales and attendee demographics.

For Attendees: Instant access to event listings, ticket purchase and storage, and digital ticket validation, ensuring they never miss an event or lose a physical ticket.

● **Data analytics**

Helping organizers understand their audience and optimize their events:

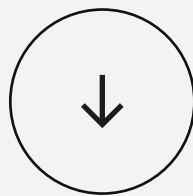

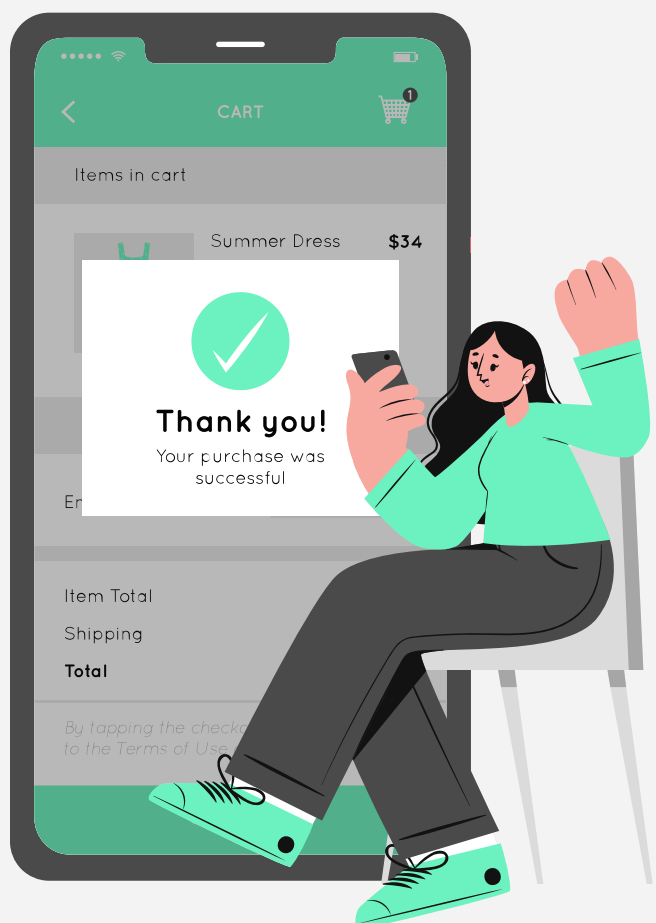

- Comprehensive data on ticket sales trends, peak purchase times, and demographics.
- Insights to aid in marketing strategies, budget allocations, and event scheduling.

● **Secure payment**

Safety and security are paramount:

- Multiple payment options, including local payment systems like bKash and Nagad, as well as international cards such as Visa, MasterCard etc.
- Transactions are redirected through secure gateways, ensuring user payment data remains confidential and protected

● **Refund**
management

Ensuring transparency and trust:

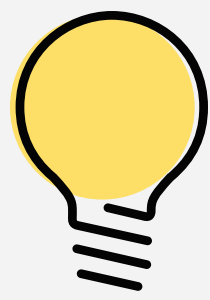

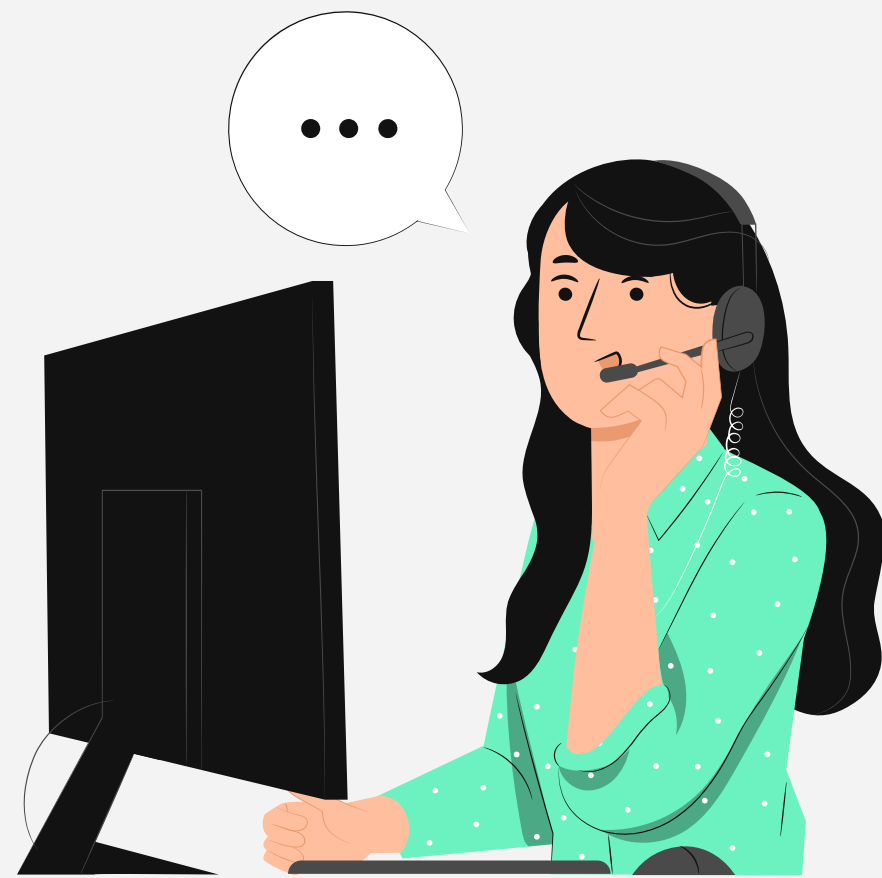

While refunds are primarily handled by event organizers, Tix Ninja facilitates the process to guarantee smooth transactions and adherence to the platform's [Refund Policy](#).

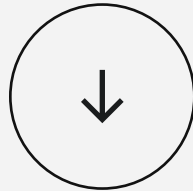

● **Customer**
support

Dedicated to assisting both organizers and attendees:

Quick-response support channels available through email, phone, and in-app messaging. Assistance ranging from event registration guidance to attendee queries, ensuring a seamless Tix Ninja experience for all.

IMPORTANT NOTE:
[Services](#) are subject to change depending on market needs e.g. Tix Ninja continuously innovates and has a plan to introduce live-streaming features in future to further expanding the scope of events and making them accessible to a global audience.

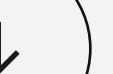

Product Overview

Tix Ninja offers a holistic ticketing solution that merges an intuitive online platform with versatile mobile applications, catering to both event organizers and attendees. Organizers benefit from easy event management tools and detailed analytics,

while attendees enjoy a seamless browsing and swift checkout experience. Enhanced with secure payment gateways, comprehensive data insights, and dedicated customer support, Tix Ninja stands as the epitome of modern, efficient, and memorable event ticketing.

Frequently Asked Questions

● What is Tix Ninja?

Tix Ninja is a sophisticated ticketing platform that allows event organizers to sell tickets for their events. Our aim is to provide a swift, user-friendly experience for both organizers and attendees.

● How do I register my event on Tix Ninja?

Contact us using the form below or at [01711564829](tel:01711564829) or support@tix.ninja, and we will guide you through our straightforward registration process.

● How much does Tix Ninja charge for its services?

We charge a commission on ticket sales, but this percentage can vary depending on the event and organizer specifics. Please [contact](#) us to get your event-specific quote.

LEARN MORE

 **Do attendees need an account to purchase tickets?**

Yes, attendees need to create an account. This allows for a smoother transaction process and ensures ticket validity.

 How is Tix Ninja different from competitors?

Tix Ninja is founded on a seamless user experience, enhanced by our 30+ years of combined expertise in engineering, design, customer support, sales, marketing, and event management. We offer organizers a holistic suite of tools, from detailed analytics to effortless ticket validation, ensuring utmost transparency and efficiency in every event.

 Is my payment information safe with Tix Ninja?

Absolutely. We don't store any payment details. All transactions are redirected to secure payment gateways, ensuring utmost security.

 What payment methods are accepted?

We support a wide range of payment methods, including bKash, Nagad, Visa, MasterCard, and Amex, among others.

 How do I get a refund for my ticket?

Refunds are handled by event organizers. Tix Ninja will facilitate the process if the organizer initiates it. Check our [Refund Policy](#) for more details.

What if the event organizer doesn't respond to my queries?

We provide organizer contact details for any event-related queries. However, if there's no response within 48 hours, kindly contact our support, and we'll assist you.

Do you share my data with event organizers?

Only the necessary details, like name and email, date of birth are shared for ticket verification purposes. For more on our data practices, see our [Privacy Policy](#).

Why does Tix Ninja need my date of birth?

For events with age restrictions, the date of birth helps in verifying the attendee's eligibility.

Do you have a mobile application?

Yes, we offer a mobile application [iOS and Android] for both organizers and attendees, enhancing the experience and convenience for ticket validation and purchase.

IMPORTANT NOTE:

Feel free to reach out to us via our [contact](#) form or at [01711564829](tel:01711564829) or support@tix.ninja and we will get back to you as soon as possible.

Transformative journey together.

Ready to take your event experience to new heights? Connect with #TixNinja to explore how we can elevate your event's visibility and attendee engagement.
