Company Profile of REEA DIGITAL LTD

1. Background

A. History:

Reea Digital Limited started its business in Bangladesh since 2022. Since its inception, Reea digital has worked on a wide range of ICT projects for clients in Romania, USA, Switzerland and Bangladesh.

REEA Digital Limited is helping other REEA companies with a modest number of tasks, REEA Digital Limited began operations on July 1st, 2022. With 14 employees as of right now, REEA Digital Limited has expanded and currently has people working in AI, Back-end, Front-end, Mobile Apps, Desktop Apps, Graphic Design, and other fields.

We have an office that is roughly 2000 square feet and is located in Mirpur DOHS. We have laptops, additional displays, a power backup system, and much more. We are happy to report that we follow normal HR policy and provide free lunch and snacks for all of our employees. We have a welcoming environment for women.

We believe that team bonding activities such as playing games on the PlayStation increases employee productivity. With regular meetings and follow-ups, our team is well-organized.

B. Area of Business Activity:

With knowledge of software development such as web applications, desktop applications, mobile applications, digital marketing, branding, and video & animation, Reea digital has the in-house capacity to provide the necessary support to develop softwares for your needs.

Reea digital supports companies to achieve progress and evolution. The technical skills of our interdisciplinary teams specialized in custom software development, with digital marketing experience and presence among the top web development companies, will help you fulfill your digital potential. We grow together with our partners. We learn and innovate consistently. Whether you need a web design agency or a proficient eCommerce development company for your site, we bring a fresh perspective to each field. No matter if you are a startup or multinational company, we aim to develop a long-term partnership, with perfectly adapted solutions for your growth.
