

A background image of a business meeting. Several people are seated around a wooden table, looking at a laptop and tablets. One person is pointing at a tablet screen. The scene is brightly lit, and there are coffee cups and papers on the table. A large, semi-transparent white circle is centered over the image, containing the company logo and name. There are also some geometric shapes: a green triangle in the top right corner and an orange triangle in the bottom center.

Dhorony

Company Profile

Dhorony is dedicated to empowering a diverse array of businesses, such as online retailers, startup entrepreneurs, local enterprises, travel and tourism firms, real estate companies, healthcare service providers, and online brands, to achieve growth and success.

Having been a prominent player in the IT solutions industry for years, Dhorony has successfully served over 150 clients worldwide.

ABOUT US

Web Design & Development

We tailor our designs to meet your specific requirements and subsequently create websites with a primary focus on HTML5.

ERP Software

Our ERP (Enterprise Resource Planning) solutions are client-centric, customized to their specific requirement.

POS & Accounting Software

Per our client's exact specifications, we create custom POS (Point of Sale), Accounting, and Inventory Management Software.

Mobile Apps Development

We construct native mobile apps for both iOS and Android to prioritize app development with a focus on Flutter.

e-Commerce Solutions

We provide eCommerce solutions for clients for higher reach to ahead of their competitors.

Cyber Security

We specialize in web-based cybersecurity, proficiently addressing web vulnerabilities and delivering DDoS protection services.

WHY WE ARE

Quick Response 24/7

We ensure a one-hour or less emergency response time. You'll speak to a live representative when you call, or you can submit a service ticket online using our efficient system.

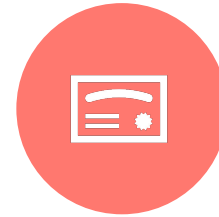

We Provide Competitive Pricing

We provide web design, web development, corporate branding, online marketing, web hosting, and web application development at competitive market prices. Our turnaround time is faster than many other web design companies.

We Do The Work

Our entire team, from principals to junior members, collaborates on website development projects. We don't employ a sales team and only accept projects aligned with our core skills.

100% Satisfaction Guarantee

Our goal is your complete satisfaction with our services. We're committed to going the extra mile to ensure your happiness. No hassles, no problems.
