We are confident that we can provide you with the IT solutions you need to succeed.

Our Story

Cyber 32, founded in 2018 by Shahin Rahman, is a full-service IT company that provides a wide range of services to businesses of all sizes. The company specializes in digital marketing, web design & development, graphic design, and video editing. Cyber 32 is committed to providing high-quality services that are tailored to the specific needs of its clients.

The company's founder, Shahin Rahman, is an engineering background student with a passion for technology. He established Cyber 32 with the vision of empowering businesses through the use of innovative IT solutions. Under Shahin's leadership, Cyber 32 has become a leading IT solutions provider in Bangladesh.

Team of Experts

At Cyber 32, we believe that our people are our greatest asset. Our team of experienced and passionate professionals is dedicated to providing our clients with the best possible service and support. We are committed to fostering a culture of innovation, creativity, and collaboration, and we believe that our team is the driving force behind our success.

Here are some of the qualities that make our team so special:

- **Expertise:** Our team has a wealth of experience and knowledge in a wide range of IT disciplines.
- **Passion:** We are passionate about technology and we are committed to helping our clients succeed.
- **Creativity:** We are always looking for new and innovative ways to solve our clients' problems.
- **Collaboration:** We work together as a team to achieve our goals.
- **Dedication:** We are dedicated to providing our clients with the best possible service and support.

We are proud to have such a talented and dedicated team at Cyber 32. We believe that our team is essential to our success, and we are committed to providing them with the resources and support they need to thrive.

Clients

We have a diverse client base that includes businesses from a variety of industries, including:

- **Retail:** We help retail businesses grow their online sales and improve their customer experience.
- **E-commerce:** We design and develop e-commerce websites that are both visually appealing and easy to use.
- **Manufacturing:** We help manufacturing businesses streamline their operations and improve their efficiency.
- **Healthcare:** We develop IT solutions that help healthcare providers improve patient care and reduce costs.
- **Education:** We provide IT solutions that help educational institutions enhance learning and improve communication between students and teachers.

We are committed to providing our clients with the best possible service and support. We are always looking for new ways to improve our services and meet the needs of our clients.
