BTE Infotech Pvt. Ltd.

ABOUT US

BTE Infotech Pvt. Ltd., a dynamic provider of system integration and software solutions, specializing in superior business transformation services. Our founders bring over 17 years of industry experience, delivering high-value services worldwide.

We specialize in Tier 1 ERP implementations, including SAP and Oracle, boasting over 15 years of success across diverse industries. Our strong network of domain experts, industry leaders, and academic partnerships enhances our delivery capabilities.

At BTE Infotech, our goal is to lead the fourth industrial revolution in Bangladesh and make a significant impact on the global IT stage. We offer personalized solutions that drive innovation and growth.

MANAGEMENT PROFILE

At BTE Infotech, our leadership team stands at the forefront of business transformation, each bringing specialized expertise and a unique perspective to propel our clients towards their strategic goals. Their combined years of experience and depth of knowledge ensure that we provide the highest quality service in every project we undertake.

CEO's Proven Leadership:

Our CEO has over 17 years of robust experience in IT solutions and business development, including a pivotal role as a regional business manager at SAP. With a track record of leading complex projects and driving growth, he offers a strategic insight and a global perspective that are crucial for guiding our clients through their transformation journeys. His leadership is characterized by a visionary approach and a deep understanding of how technology can drive business success.

Director-Technical Excellence

The Director of Technical Services at BTE Infotech has more than 18 years of experience in implementing IT solutions, including extensive work with SAP ERP systems across various industry sectors. His background includes significant roles with top advisory and BIG Four consulting firms such as Ernst & Young, KPMG, and WIPRO. This experience brings a high level of precision and expert judgment to our project execution, ensuring that all technical solutions are seamlessly integrated and delivered with the utmost quality.

Financial Wisdom:

Our Finance Advisor, a seasoned Chartered Accountant with over 22 years of experience, anchors our financial strategies. His expertise is not just limited to fiscal management but extends into strategic roles such as an internal project manager of SAP ERP systems and CFO for both multinational and local conglomerate companies. His extensive experience ensures that all financial aspects of our projects are handled with rigor and that financial planning aligns with both strategic and operational goals.

Together, this team forms the backbone of BTE Infotech, providing a solid foundation of leadership that is both dynamic and deeply informed. Their collective experience not only enhances our service offerings but also ensures that we remain at the cutting edge of technology and business practices, perfectly positioning us to help our clients achieve their objectives efficiently and effectively.
