

**RISDA
INSTITUTE OF
TECHNOLOGY LTD.**

BUSINESS COMPANY PROFILE

Background

RISDA-Bangladesh (registered NGO) has started the Skills Development Programme (SDP) since 2008. Sustainable and Decent livelihood development was the objective of that program. Its approach was to get better and decent job opportunities for all men and women, in particular the unemployed youth. In the year 2014, RISDA-Bangladesh established its Skills Development Training Institute named “RISDA Institute of Technology” and received affiliation from the Bangladesh Technical Education Board (BTEB) and National Skills Development Authority (NSDA). It’s an ISO 9001:2015 certified Technical and Vocational Training Institute and Assessment center. RISDA Institute of Technology has incorporate under RJSC 30th August 2023. RISDA IT has registered office in Mirpur-Dhaka, and has three Permanent campuses in Birulia-Savar, Saltha-Faridpur and Cox`s Bazar as well as more satellite centers in districts of Rajshahi, Satkhira, Barisal, Pirojpur, Bhola, Chattogram and Cox`s Bazar, engaged in skills training for the youth. RIT is now operating skills training program on 39 separate occupations and 86 levels of certifications in NTVQF and BNQF, all are affiliated with the Bangladesh Technical Education Board (BTEB) and the National Skills Development Authority (NSDA). RISDA-Bangladesh has the capacity to operate skills training program in each and every district of Bangladesh. The experience of skills training and job placement in the formal and informal industries in Bangladesh has been significant.

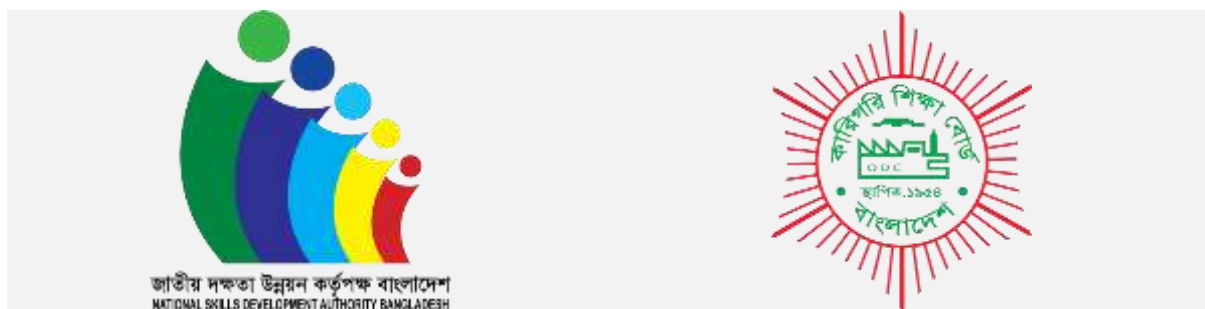

Our core mission is

- to provide best quality training and develop skills manpower for meeting the growing industry demand with client-oriented approaches.
- to provide top-class software development and related consulting and business process management services using cutting-edge technologies, robust development tools and client-oriented approaches.
