Company Overview

ARMR TECH is a software-based IT partnership company started by two childhood friends, that specializes in delivering cutting-edge solutions to meet the evolving needs of businesses.

With a dedicated team of professionals, we focus on providing innovative software applications, ensuring quality through rigorous testing, and maintaining a client-centric approach.

Core Values

Innovation: We embrace creativity and leverage the latest technologies to provide cutting-edge solutions.

Integrity: Upholding the highest standards of honesty, transparency, and ethical conduct.

Client-Centric Approach: Clients are at the center of everything what we do. Prioritizing client satisfaction by understanding and exceeding their expectations.

Collaboration: Fostering teamwork and cooperation to achieve excellence in every aspect of our business.

Leadership

Md. Anisur Rahman, Co-Founder, Managing Director and Chief Executive Officer of ARMР TECH

Mahboobur Rahman, Co-Founder, Chairman of ARMР TECH

Vision

Empowering Futures through Digital Excellence.

At ARMR TECH, our vision is to be the catalyst for transformative change in the digital landscape. We are committed to:

Innovative Solutions for Tomorrow:

Pioneering cutting-edge technologies that anticipate and address the evolving needs of businesses and individuals.

Strategic Collaboration for Collective Success:

Fostering partnerships that amplify the impact of our innovations, creating a network of shared success. Be a successful and contributing partner of Digital Bangladesh and Smart Bangladesh initiative taken by Government of Bangladesh.

Global Leadership in Technological Advancement:

Positioning ARMR TECH as a local, regional and global leader, known for driving technological advancements that shape industries and societies.

Client Empowerment and Sustainable Success:

Empowering our clients with solutions that not only meet immediate challenges but also position them for sustained success in a rapidly changing digital environment.

Ethical Leadership and Trust:

Upholding the highest standards of ethics and transparency, establishing ARMR TECH as a trusted partner in every digital journey.

Continuous Learning and Adaptability:

Fostering a culture of continuous learning and adaptability within our team, ensuring we stay ahead of the curve in emerging technologies.

Exceptional User-Centric Experiences:

Striving for excellence in user experience, making technology accessible, user-friendly, and seamlessly integrated into the daily operations of our clients.
