

Quest BDC – Business Profile

Quest is a pioneering Business Process Outsourcing (BPO) enterprise dedicated to delivering tailored solutions and growth capital to strategic partners. Our vision is to drive economic benefits for Quest and our partners while establishing ourselves as leaders in transformative Business Services. We harness the potential of AI and data-driven solutions to craft innovative strategies that generate substantial value for clients while ensuring sustainable income for Quest.

Sectoral Focus: We strategically target high-growth sectors in Bangladesh, channeling our expertise into:

- **Healthcare:** Our focus lies in expanding access to preventive healthcare and telemedicine solutions, catering to the underserved areas across the country.
- **Financial Services:** We aim to boost financial inclusion by offering creative banking solutions and widening access for the unbanked population.
- **SaaS:** Our goal is to develop comprehensive software solutions (ERP, CRM, Financial, HR) tailored for middle-market businesses.
- **Selective Agriculture:** We aim to create value across the agricultural value chain by enhancing efficiency for producers and consumers alike.

Core Services Offered: Our BPO solutions cover a wide spectrum of services, including:

- Business Development & Sales Management
- Printing, Packaging & Publishing
- Digital Marketing
- Customer Servicing
- Financial Management Services
- Legal Services
- Research & Development (Product)
- Software Development and Process Automation

Key Software Assets: Identified software assets that enhance our service capabilities across sectors:

- Sales Management
- Logistics Management
- Financial Accounting
- Investment/Financial Analytics
- Company/Fund Accounting
- Human Resource Management
