MEET THE FOUNDER

Nazmuzzaman

Founder

An accomplished and results-oriented IT specialist and digital marketing expert, adept at both domestic and global arenas, with a knack for conceptualizing ideas, capitalizing on business opportunities, and orchestrating the development of highly successful ventures within the telecommunications, Internet, and network integration sectors. Renowned for a proven track record of success in identifying and seizing opportunities, crafting bespoke solutions for telecom network rollout, intricate financial ERP systems, and FinTech Solution. Proficiently manages server assets totaling \$1.5 billion (USD) annually, overseeing projects valued between \$6 million to \$8 million (USD) with precision and finesse.
