## **About Company:**

FronTech Limited is originated from Bangladesh, a globally focused company based on 'Robotics'. We do provide RaaS (Robotics as a Solution). FronTech is distributor of different global robotics companies in Bangladesh as well as inventor of different unique solutions in embedded systems and IoT solutions.

## **Mission:**

FronTech Ltd. aims to integrate advanced robotics and IoT technologies into various sectors in Bangladesh, fostering innovation and efficiency. Our goal is to provide comprehensive robotic solutions, known as Robotics as a Solution (RaaS), to boost productivity and support the country's technological advancement.

## **Vision:**

The company's vision is to lead the Robotics industry in Bangladesh and globally, fostering a tech-savvy environment with the latest robotics and IoT innovations. Our aim to significantly contribute to developing a technologically advanced and digitally empowered nation, aligning with the Fourth Industrial Revolution (4IR) and "Smart Bangladesh" initiatives.
