INTRODUCTION FROM OUR CEO

As the CEO and on behalf of our passionate team, I am thrilled to welcome you to our digital home, the world of innovative web solutions. Our journey began with a simple yet ambitious vision: to merge cutting-edge technology with creative prowess, delivering web solutions that not only meet but exceed expectations

At NidusLab, our dedicated team of experts brings knowledge and passion to every project. We specialize in custom software development, web design, and mobile application creation. Our commitment is to provide you with services that are not just state-of-the-art but also uniquely tailored to your business needs.

The correct web solutions can transform a rapidly evolving digital landscape. That's why we focus on building websites or apps and comprehensive digital experiences that propel your business forward. Our approach is collaborative, transparent, and always focused on delivering value.

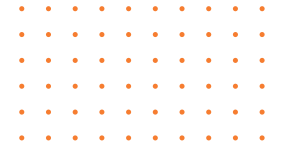

OUR STORY

From our humble beginnings to launching transformative solutions, NidusLab is committed to empowering businesses, startups, and organizations with the tools they need to thrive in the digital era. And this is just the start of our journey—together, let's shape the future!

December 2023: The Beginning of a Dream

NidusLab was born in December 2023, sparked by a bold vision: to transform the digital landscape and empower businesses through innovative web solutions. With passion as our driving force and cutting-edge technology as our foundation, we set out to create something extraordinary.

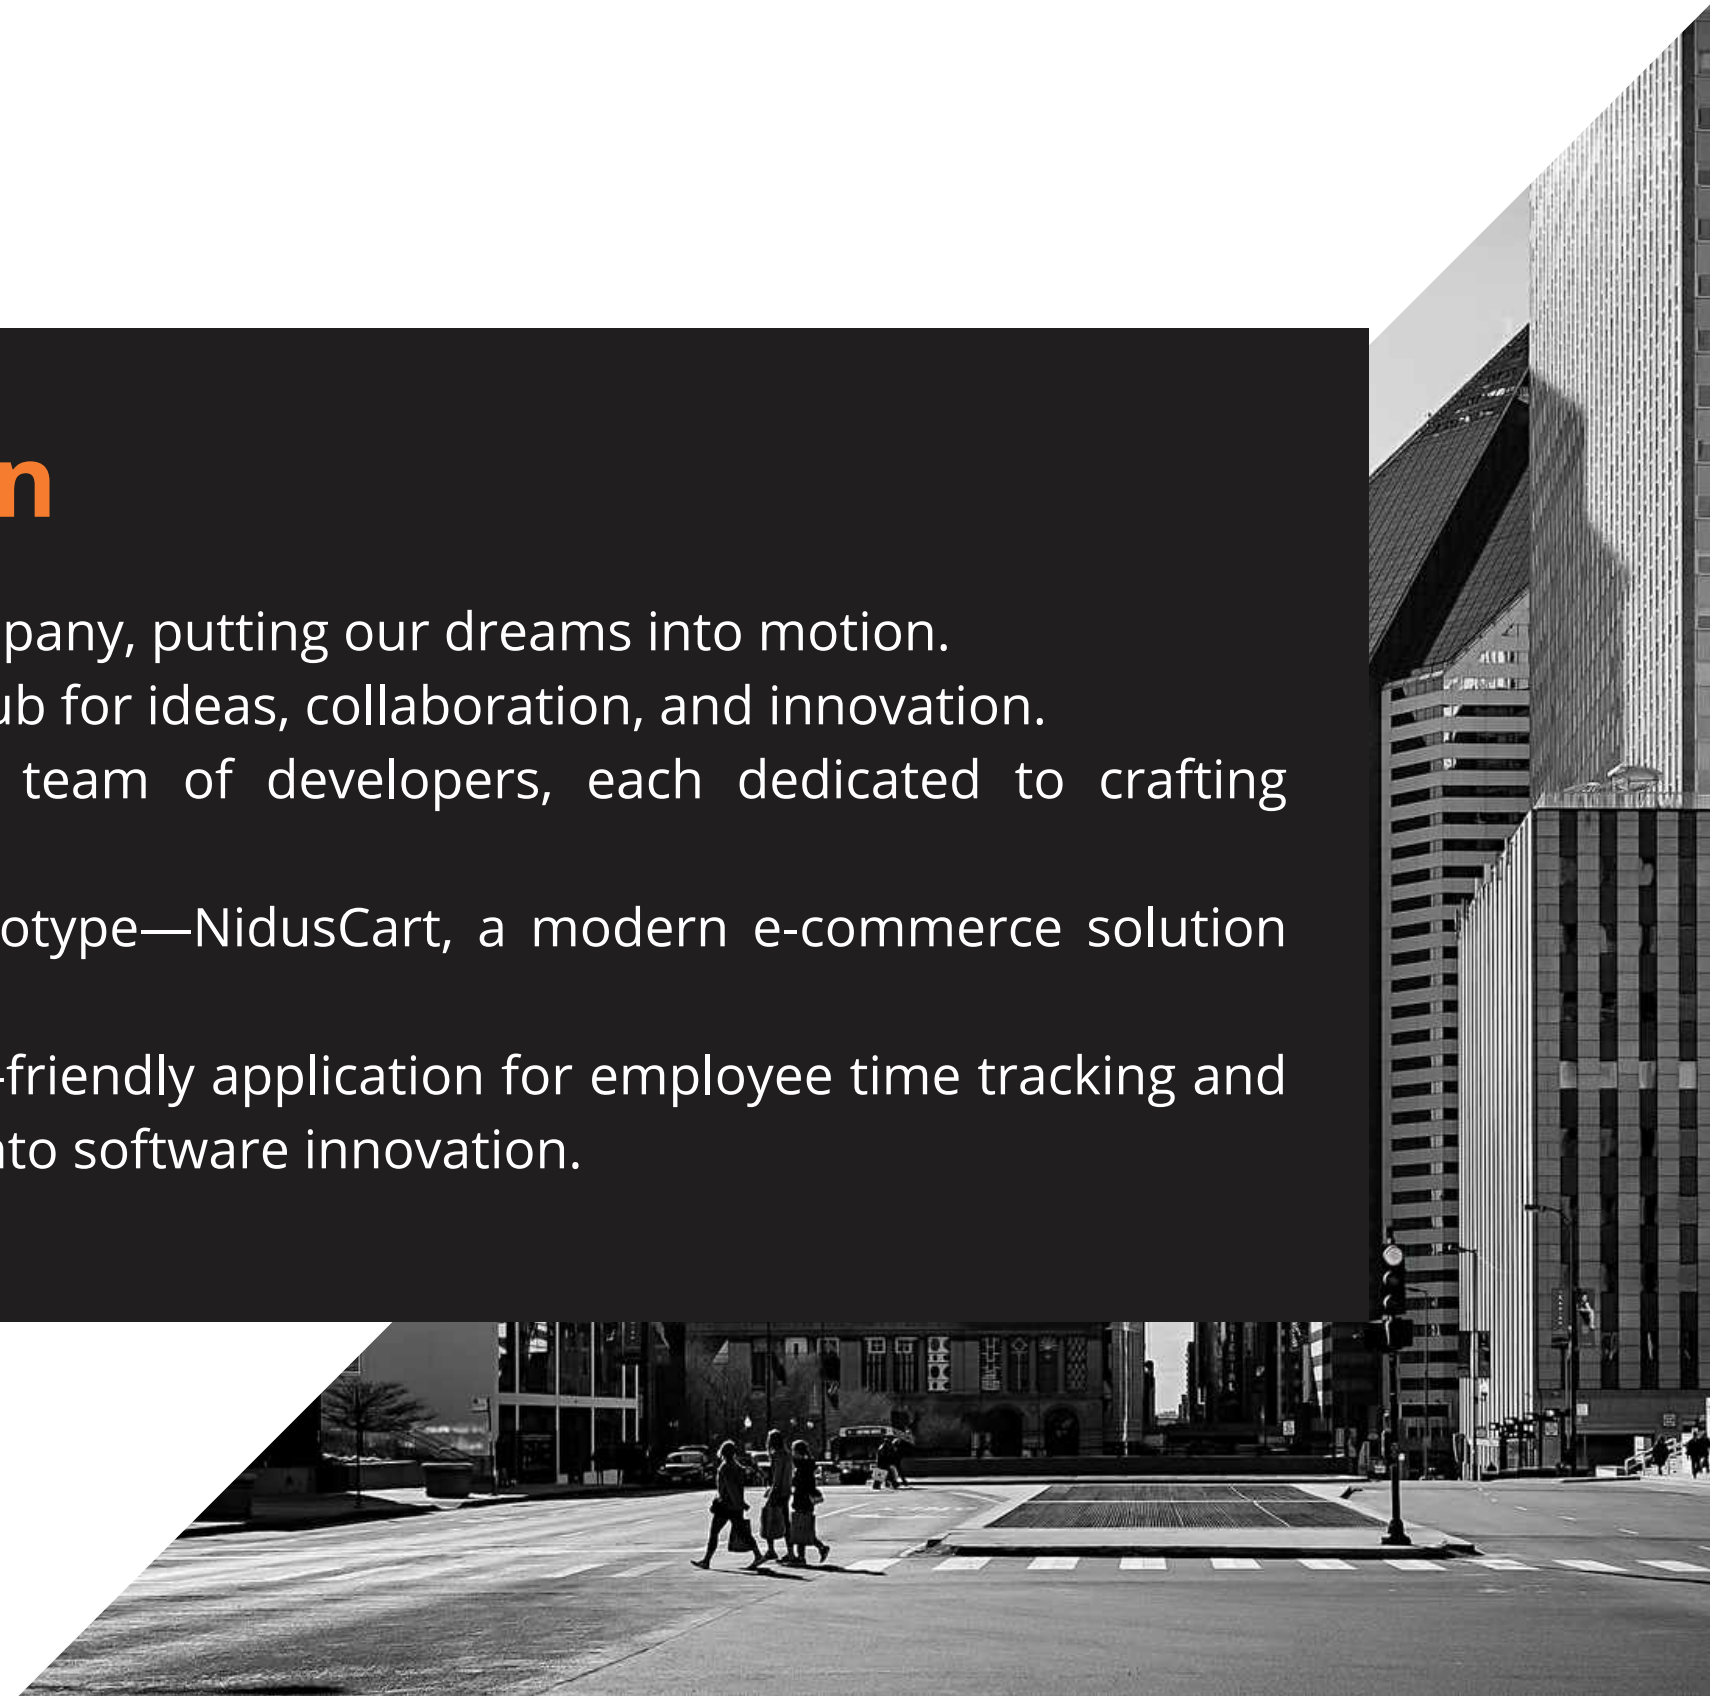

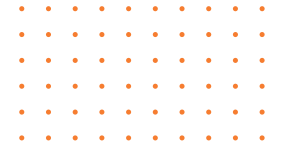

OUR STORY

2024: Building the Foundation

- Company Formation: We officially took shape as a company, putting our dreams into motion.
- Office Setup: Our new workspace became a creative hub for ideas, collaboration, and innovation.
- Developer Hiring: We brought together a talented team of developers, each dedicated to crafting exceptional digital experiences.
- NidusCart: By year-end, we introduced our first prototype—NidusCart, a modern e-commerce solution designed to redefine online shopping.
- NidusTime: We also unveiled NidusTime, a sleek, user-friendly application for employee time tracking and leave management, setting the stage for our journey into software innovation.

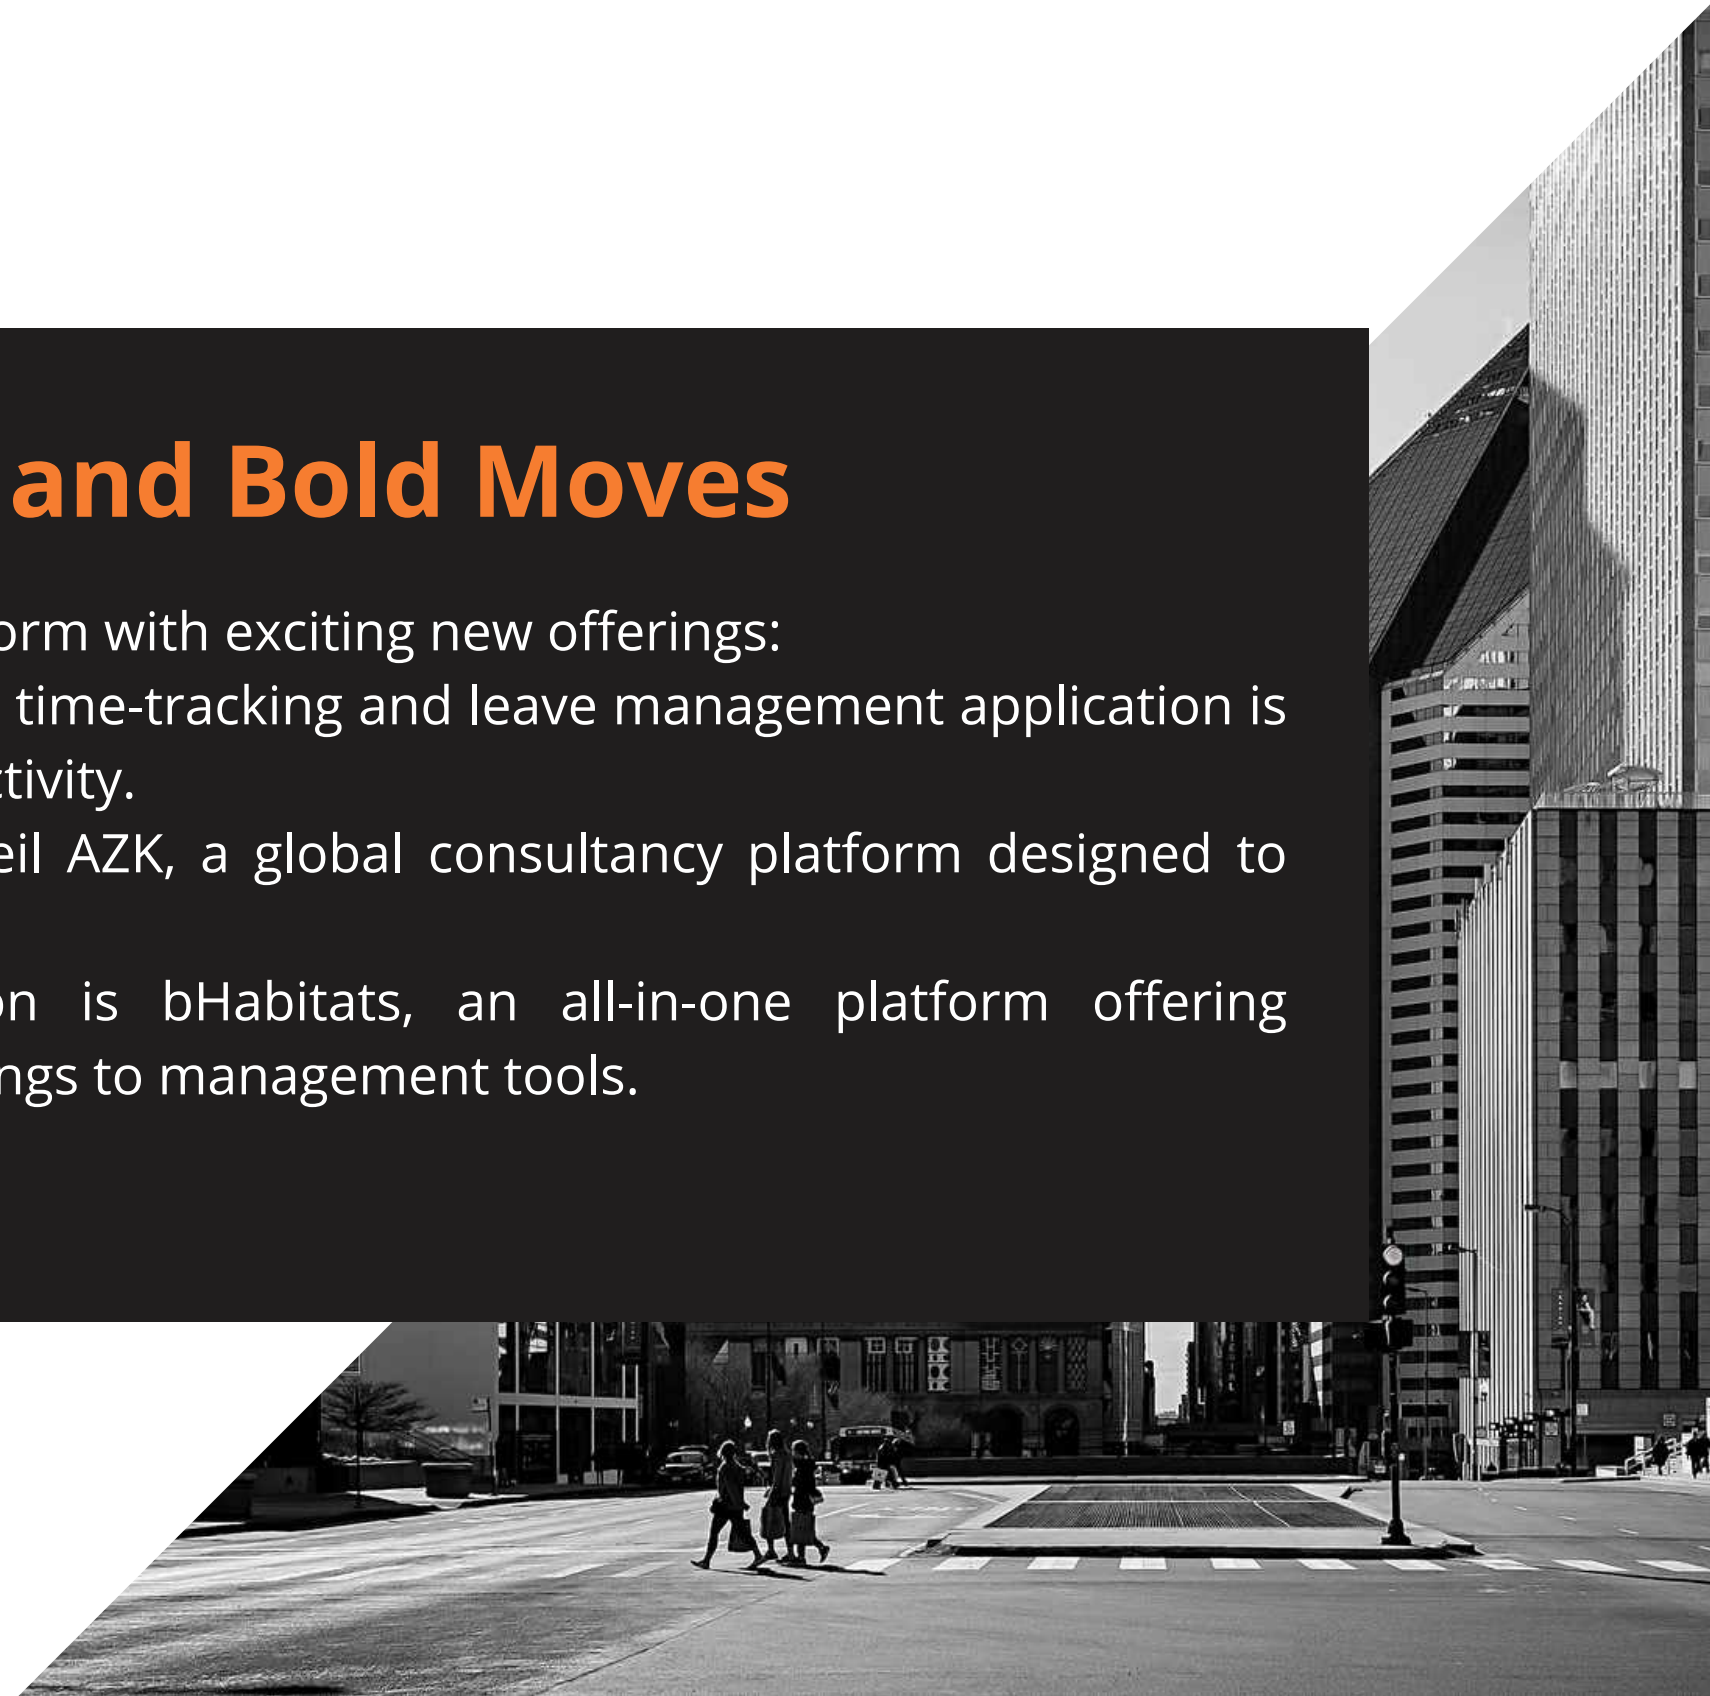

OUR STORY

2025: A Year of Big Launches and Bold Moves

As 2025 unfolds, NidusLab is ready to take the world by storm with exciting new offerings:

- NidusTime Launch (Q2 2025): This simple yet powerful time-tracking and leave management application is set to hit the market, revolutionizing workplace productivity.
- AZK Platform (Q3 2025): Later in the year, we'll unveil AZK, a global consultancy platform designed to connect experts and businesses worldwide.
- bHabitats Launch (Q3 2025): Also on the horizon is bHabitats, an all-in-one platform offering comprehensive real estate services, from property listings to management tools.
