❑ **ORGANIZATION STRUCTURE:**

MANAGEMENT

Late Annisul Huq

Founder, TechnoVista Limited

The company's founder Late Annisul Huq was the Chairman of Mohammadi Group & TechnoVista Limited as well as the former Mayor of the Dhaka North City Corporation.

He has served in the following major apex trade bodies in Bangladesh and region:

- Former President: SAARC Chamber of Commerce and Industries (SAARC CCI), 2010 - 2012
- Former President: Federation of Bangladesh Chamber of Commerce and Industries (FBCCI), 2008 - 2010
- Former President: Bangladesh Garments Manufacturers and Exporters Association (BGMEA), 2005 - 2006
- Former President: Bangladesh Independent Power Producers Association (BIPPA), 2014 - 2015

Apart from business, as a passion Mr. Huq is affiliated with the electronic media scene in Bangladesh. He has hosted many interviews with politically significant personalities, including an interview with the current Prime Minister live on national television. Mr. Huq has hosted interviews that have influenced national vote in forming Government, such as the interview of four major political parties during election time. Huq often hosts high-level business discussion programs on television in which he interviews both political and business personalities including Finance and Commerce Ministers. Mr. Huq recently passed away on 30 November, 2017.

Ms. Rubana Huq

Chairperson, TechnoVista Limited

Rubana Huq is a well-known businessperson, journalist, and intellectual in Bangladesh and the immediate past President of Bangladesh Garments Manufacturers and Exporters Association (BGMEA). She is also a regular columnist for all top English dailies in the country. She also conducts her own TV show about South Asian current affairs that is broadcast by regional TV channels in South Asia. Besides running the day to day operations of the business Mrs. Huq is well known for her contribution in the literary and cultural circle in Bangladesh. Besides her corporate identity, she is a poet, having won

the SAARC literary award in 2006 and also took part in publications. She represents the global manufacturers in the UNFCCC fashion industry charter for Climate Action for the period of 2021-22.

Mr. Navidul Huq

Managing Director, TechnoVista Limited

Mr. Navidul Huq, one of the most successful young technology entrepreneurs in the country. While still a 9th grade student in 1999, he became an IBM Certified E-Business professional. He has obtained his higher education from USA and is a key planner in the journey of TechnoVista in becoming a regional ICT services leader. He also came up with the vision of seeing TechnoVista becoming a contributor in the ICT sector of Bangladesh. He was the director of BASIS from 2013-2014. Besides being in the IT industry he heads a division of his family's garments business which has doubled its revenue in the last 3 years.
