Exclusive Services

We create exclusive & creative services for our awesome clients

Clipping Path

Clipping Path is ideal for those who are interested in capturing a specific section of a photo while ignoring the other areas. We are one of the best photo clipping path service providers in the industry.

Masking

Using the latest software and technologies, our veteran team of illustrators provides superior image masking services for our demanding clients.

Ghost Mannequin

Ghost Mannequin is a method of image editing services that produces a natural ghost impact for apparel and garment pictures. Our designers are also specialized on image neck joint.

E-Commerce Image-Ready

Among many ways to make online store more attractive for the customers, photo editing and retouching for e-commerce has become one of the most used methods for online retailers of all kinds.

Retouching

With over ten years of experience in the photo manipulation industry, Tradexcel saves clients time and money by tackling the tough (but necessary) photo retouching process.

Color Corrections

Color corrections play a vital role in making a creative look with appropriate color changes in various areas of images. We offer CC Services and ensure the highest quality at an affordable cost.

Custom Development

Our developers are talented, creative and versed at building Custom Applications, Mobile Apps and dynamic HTML5 Banners. Codes are available on: PHP, Java, JavaScript, HTML, HTML5, XHTML, CSS3.

Why Choose Us

If you want a partner who cares about your business coupled with enthusiasm for applied creative technologies, then TGL is right choice.

10+ Years of Experience

TGL has been serving European and North American clients since 2006.

170+ Skilled Resources

Skilled resources are key to our success. We stay current with new industry trends and technologies.

24/7 Operation

The TGL production team and customer service operates 24/7 for your convenience.

Quick Turnaround

Standard turnaround time is 12 hours; however, we can turn projects in a little as 4 hours.

Quality Guaranteed

Quality is our strength, we are committed to and stand behind our guarantee to deliver the highest quality for our clients

Response Time

We are committed to respond to any client query within 10 minutes.

Do What You Do Best and Outsource the Rest

When you start working with TradeXcel Graphics, you engage yourself with a professional team of experts. These professionals and experts are graphic artists and coders with sound backgrounds and experience. You just need to send the project and let us know your requirements over email or submission form. Leave the Rest to Our Team.
