

Corporate Profile

T-Series Solutions is a specialized firm for website design & development, software development, domain registration & web hosting, digital / flash presentation, graphic & logo design etc. Established in the year of 2000, **T-Series Solutions** is also developing out-sourcing projects from UK, USA, and Australia etc.

T-Series Solutions has been operating a business portal at **bdtradeinfo.com** since 2003, which is the pioneer & largest in this field of Bangladesh. The team is determined to continue the race to keep the position at the top of this field.

T-Series Solutions has a dynamic team of efficient professionals under strong guidance and leadership of Mr. Asim Tarafder, CEO of the firm who is an MBA and IT expert, having certifications like MCP (Microsoft Certified Professional) & CIW (Certified Internet Webmaster). The motivated and expert team is diverse enough in clearly perceiving the business goals of our customers, choosing the most appropriate technology and efficiently designing and developing solutions that cater to the business needs identified.

At the end of the year 2007 **T-Series Solutions** has become a Strategic Partner of E2000ERA LLC, USA. E2000ERA is renowned IT firm in USA for high tech web server and network, web & software solutions. On the basis of this partnership **T-Series Solutions** is now capable and committed to provide international standard service and support to the clients with more strength & professionalism. It's a Member of Bangladesh Association of Software & Information System (BASIS).
