

YOUR TRIP MATE LTD

THE LEADING TRAVEL TECHNOLOGY
COMPANY IN BANGLADESH

Our Story

Your Trip Mate Ltd started its journey in 2013 with a view to creating a hassle free atmosphere for outbound travelers of Bangladesh as well as inbound travelers who come to Bangladesh

Back then, travelers would have to go through a lot of hassles due to the unavailability of accurate travel information.

So, we made all the necessary information available and created suitable services to cater the needs of travelers through different business units.

Our Mission

- Our vision is to create a borderless travel ecosystem
- We strive to eliminate the fear of 'visa' from every international traveler and help every government to make efficient & informed visa decision.
- We are planning to create a technology based travel solution for local tourism industry

Our Brands

VISAThing is a registered trademark of Your Trip Mate Limited based out of Bangladesh. We are a travel technology company striving to build a convenient travel ecosystem by connecting different immigration/consular authorities to global population of travelers with the help of innovative services and latest technologies.

'VISAThing for Student is a Your Trip Mate brand, provides customized services related to student admission and visa around the world. It's a specialized educational consultancy wing for providing services to the students who are pursuing higher studies.

Key Achievements

Our website is the highest ranked travel website in the country

We have served over a thousand individuals, business entities, govt and non-govt organizations every year

Best reputation in the marketplace. people's trust on our quality of service

Aspirations

We want to familiarize travelers with our online visa management system and encourage them to apply for visa online.

By 2030, we will be the largest visa ecosystem enabler in the world impacting over 1 billion people by working in partnerships with governments to help them expand their visa issuance operations. We plan to integrate government's e-visa with VISAThing, build e-visa platform for governments, incorporate sticker visa with online application functionality.

- Streamlining online visa application systems among travelers.
- Approaching government agencies to work in partnership to make the visa application process easier for both the travelers and embassies
- Working to onboard business entities through building a B2B visa management system.
- Expanding our services & operations to neighbouring countries like India, Nepal and Myanmar
- Building Travel Reservation system for local and international tourists across Bangladesh under a new brand - **Offroad Bangladesh**
