Partners in Success

Alon Ekelund

CEO of iGlobe ApS, Denmark

I am very impressed with the technical skills of our team at iXora, as well as their dedication to our core product; it has freed me up to concentrate on growing our business.

Christian Epstein

Chief Architect, Adactit ApS, Denmark

If you need a software outsourcing partner with SharePoint Online, Office Apps, and Azure experience, these are the guys to go to.

Flemming Goldbach

CTO & Partner, Adactit ApS, Denmark

The team takes the quality of their work very seriously and proactively suggests improvements, making sure to cover all aspects of a solution in their delivery.

Demetrios Kotsikopoulos

CTO, Engineering, Sentrana, USA

The core team members at iXora have been pivotal in helping build Sentrana's products and supporting our client engagements over several years, proving their reliability time and time again.

hristian Bonilla

Product Manager, Sentrana Inc, USA

Our clients, who I can tell you are not known for being easy to impress, were very impressed with the capabilities and quality of the software that iXora delivered.

Embracing Global Work Culture

The proper blending of creative, positive, inquiring, tech-savvy, and effective communicators within the team enables us to form two-way relationships with clients.

Diverse and talented workforce has helped us grow our capabilities. We could not have reached this far without such dedicated professionals.

The dedicated, enthusiastic, collaborative and mildly workaholic people add real edge and variety to our offering.

Well-Balanced Work-life Promoting Openness, Equality, Trust, Fun and Honesty.
