About NKSoft and Our History

NKSoft Corporation established in 1997 in Dallas, Texas, by executives from EY, IBM, Oracle and PwC consulting.

NKSoft KEMA Consulting *created in 2014 with merger of KEMA Power Consulting in North America, Latin America and Brasil (after KEMA was sold to DNV GL in 2012, KEMA Power Consulting group was disbanded by DNV to focus on its other core business).*

Ours is a streamlined, global organization, able to deploy high-performance teams. We generate fresh ideas; invest in experienced talent with deep industry knowledge; and focus on client results and client service.

NKSoft employs over 225 full time and over 350 contract professionals in 8 countries.

Line of business

1. Power Engineering Consulting
2. Software Solutions
3. IT Consulting & Integration Services
