

Hello
there!

Liakat Hossain

CEO

Babylon Resources Limited

Babylon Resources Ltd. (BRL), a renowned enterprise solution provider, has proven itself as a dynamic and progressive company. As a result of our prudent approach, we have grown steadily and remained resilient despite challenging market conditions.

Ever since its establishment in 2014, Babylon Resources Ltd. with uncompromising integrity has strived to create products and services that provide value to our customers.

We are focusing on leveraging our strength in technology to promote digital transformation to change our lives and businesses for the better, and to offer sophisticated solutions for the society. We have made our purpose to create the social values of safety, security, fairness and efficiency to promote a more sustainable world where everyone has the chance to reach their full potential.

Lastly, I would therefore like to take this opportunity to thank our clients and partners for their enduring loyalty and collaboration. I would also like to thank each of our team members for their unwavering commitment to excellence.

BUSINESS PROFILE

Babylon Resources Ltd. has been providing state-of-art IT products and services for our clients with great efficiency by leveraging frontier technologies.

We have successfully completed many mission-critical and challenging projects for government and non-government clients. Now, with a transformed confidence and larger vision we have been developing different SaaS products for global market. We are working hard to prove ourselves and after gathering several years of experience, we have emerged as a market leader in the IT sector.

We have been developing different types of apps and games since 2014. Our aim is to create unique apps and games that will contribute to enhance human development and for the society.

We are blessed to become a part of a well-known organization named 'Babylon Group'. It was founded by some young entrepreneurs in 1986 to serve Bangladesh garment sector. They dreamed of a start-up and succeeded to make an enterprise.

VISION

Babylon Resources Limited has been carried forward the vision of building Digital Bangladesh and worked for fulfilling it since establishment. Our **vision** is to acquire 'BRL Apps in Every Smartphone'.

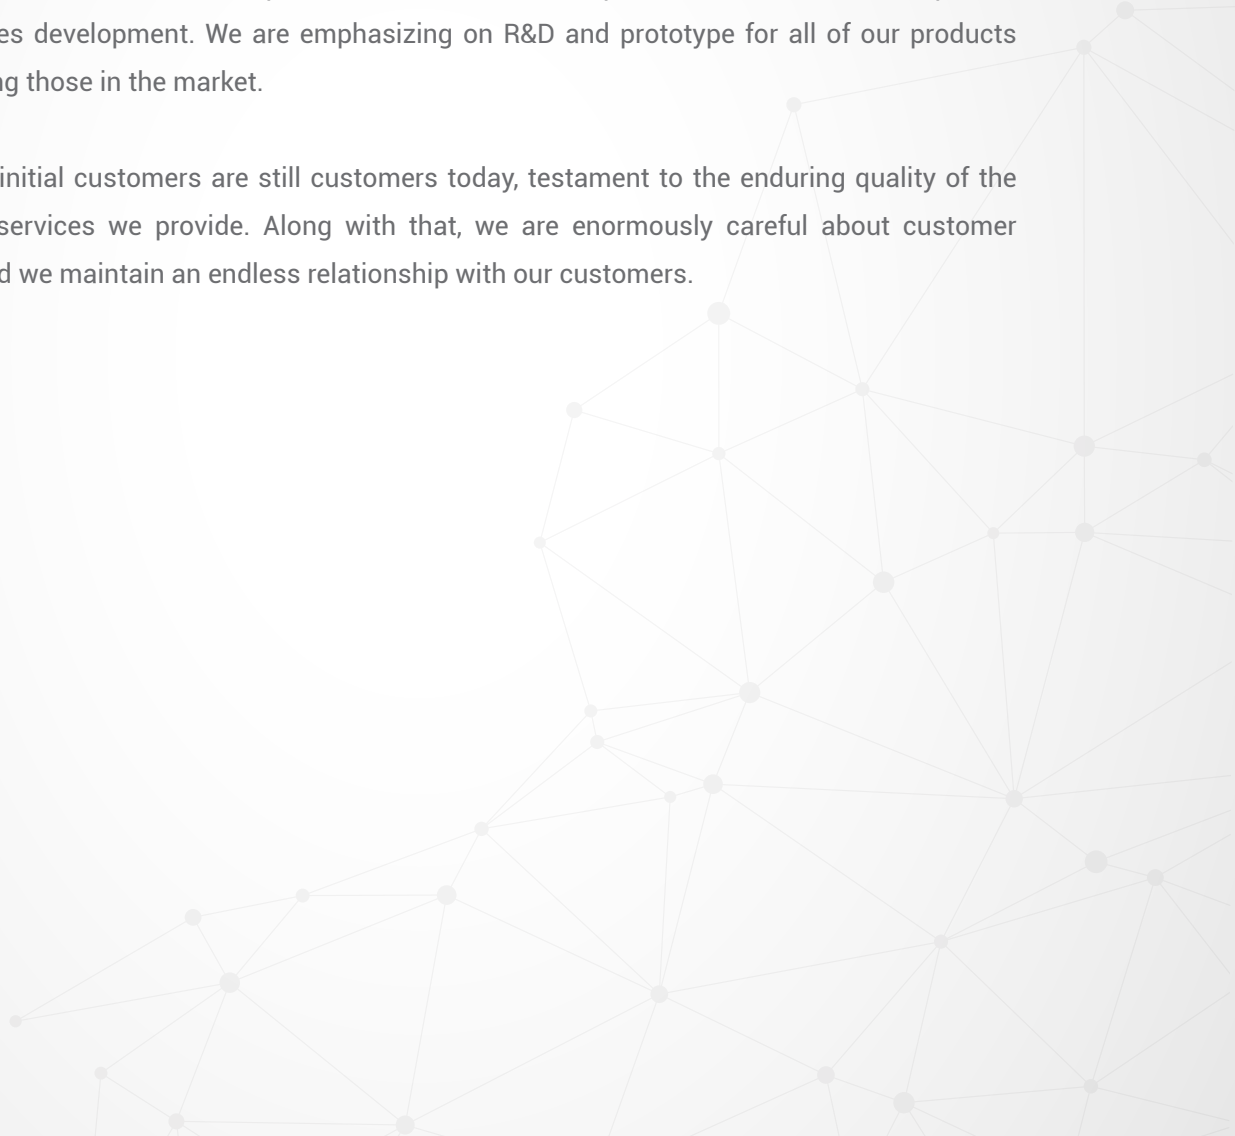

MISSION

Our **mission** is to maintain strong relationship with customer to enable business improvement by streamlining business processes using advanced and latest technologies. We constantly lead through innovation to launch new products and services. We are different through our relentless attention to deliver excellence and zero customer service complaint.

WHY WE SPECIAL

To maintain our competitive edge, we are frequently investing in improvements to our knowledge. We have a strong and enthusiastic development team who has vast experience on software development, apps and games development. We are emphasizing on R&D and prototype for all of our products before launching those in the market.

Most of BRL's initial customers are still customers today, testament to the enduring quality of the products and services we provide. Along with that, we are enormously careful about customer satisfaction and we maintain an endless relationship with our customers.

1MinuteJobs (Job Portal)

1MinuteJobs is the most transparent career building portal which is changing the way of finding jobs and recruiting top talent. Through 1MinuteJobs portal, preferred jobs will be displayed in front of job seekers and the employers will also be able to view the potential candidates' list within one minute.

Job seekers can search for job offers, upload your CVs, apply for the jobs which they like most and monitor their status at any time from their mobile devices. Candidates' requirements are defined by their preferred criteria which can be used to specific job titles, skills, organization types or other definition of the job they want.

On the other hand, the company management can also search their desired employees through 1MinuteJobs. They can search the candidates by personalizing the options according to their needs.

Basically, 1MinuteJobs is a platform for both: the job seekers as well as companies.

Key features of 1MinuteJobs:

- 01• Simple and fast job search
- 02• Browse thousands of jobs and vacancies across various industries
- 03• Search by job keyword, role title, company and location
- 04• Refine your search by salary, job type (full time, part-time)
- 05• Get the latest jobs sent daily to your inbox
- 06• Get mobile notifications for latest job
- 07• Fast job applications with Quick Apply
- 08• Fast Employee search option for Company
- 09• Instant hire compatibility
- 10• Simplest user interface

GPS71 (A tracking app)

OUR TEAM

Each member of our team is a specialist in his or her field. Together, we make sure you're investing where the best returns are, while building loyalty across every touchpoint. To achieve our vision, we have built a unique company culture by maintaining chain of command, strong delegation method, values, traditions, beliefs, interactions, behaviors as well as customer satisfaction.

We share a mutual passion for technology and doing excellent work for our clients and partners. We pride ourselves on our strategic, integrated approach to public relations and the results it delivers.

OUR ACHIEVEMENT

We had achieved Champion Trophy for "Learnerscape" in Indigenous Service Category of Basis National ICT Award in 2019.

SOCIAL RESPONSIBILITY

BRL has embraced corporate social responsibility from top to bottom. BRL carries the perception that it behaves ethically, conducts business fairly, operates transparently, protects the environment and supports worthy causes.

We always try to do something effective for the underprivileged people, such as:

- Warm clothes distribution
- Relief to the flood affected people
- Free medical campaign across the country
- Scholarship to the poor students
