**Inspire.
Motivate.
Empower.**

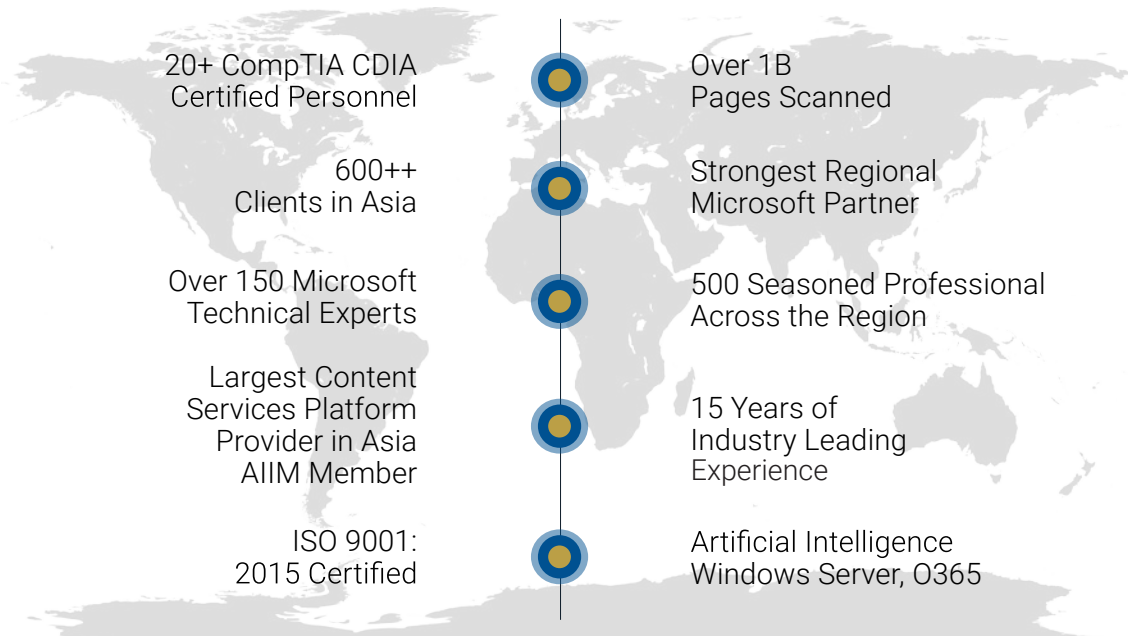

Find the Right IT Solution for your Organization

Today, technology is vital in the success of any organization.

As the business environment continues to evolve and inevitably interdependent, your organization's ability to harness the power of information through the right tools and the right technology solutions partner will determine growth and success no matter what size and industry you are in.

Global Reach, Local Expertise

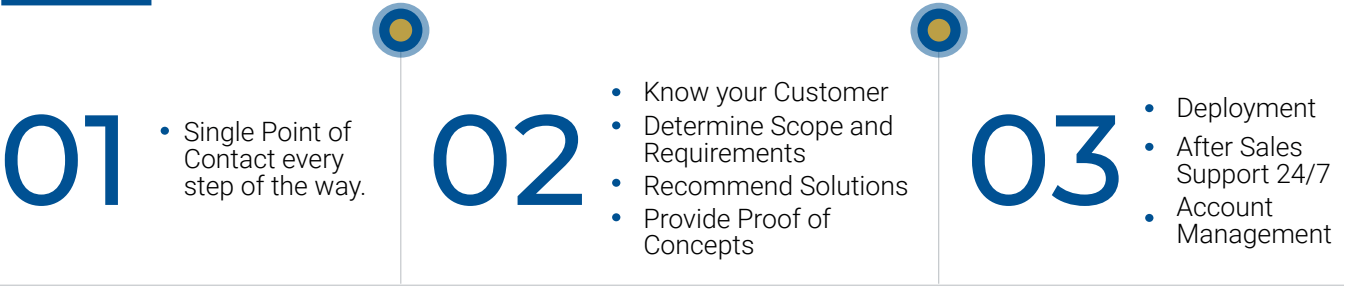

Driven by passion for innovation, Tech One Global has grown into the region's leading solutions integrator and Microsoft Partner. For over a decade, our 150 technical experts and 500 seasoned professionals have been delivering best in class services by combining regional expertise with local knowledge—serving clients across various segments and industries. Since 2004, Tech One Global has also been recognized as the only regional end-to-end ECM/Content Services Platform Solutions provider.

A Trusted and Industry-Leading Partner

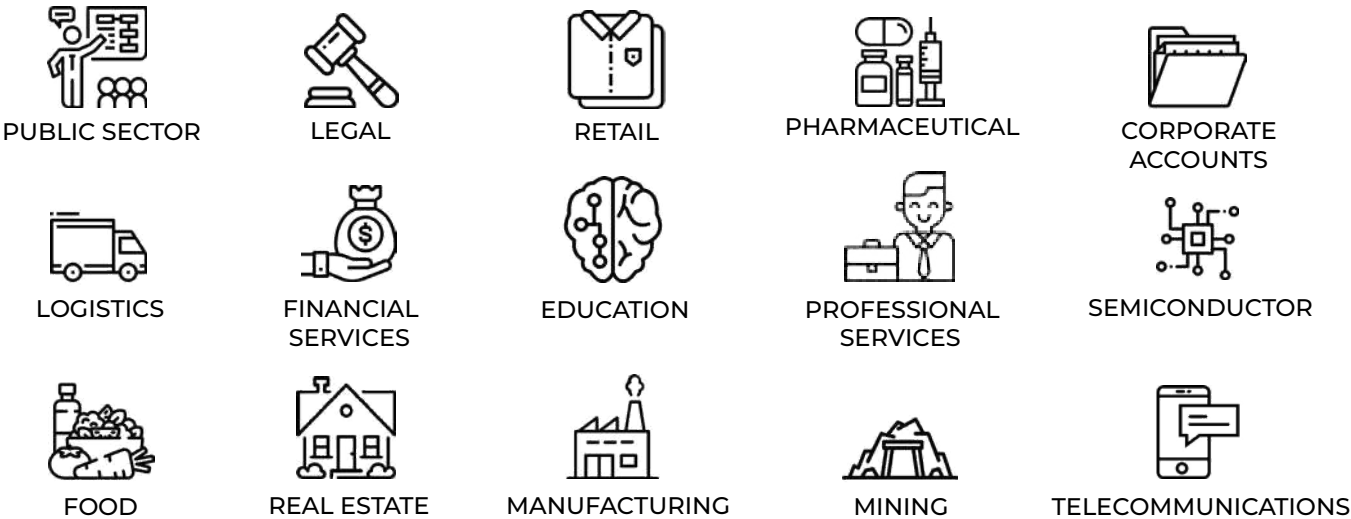

Tech One Global has been a leading content management and cloud solutions provider in Asia. Tech One Global is recognized in building innovative and purpose-built solutions to clients with complex business needs. It is our mission to **inspire, motivate, and empower** our clients towards digital transformation.
