Address: Road# 19B, House#300 Mohakhali DOHS, Mohakhali, Dhaka-1206

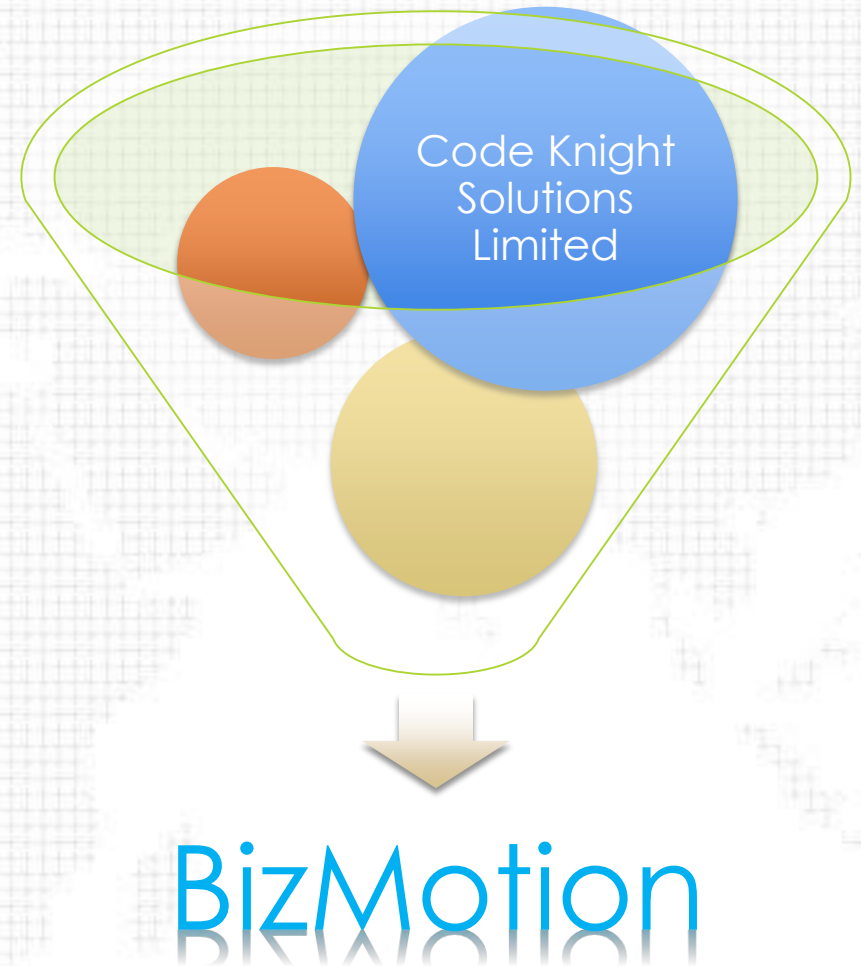

Phone: +8802-9897719, +8802-9897742. **email:** contact@biz-motion.com

Web: www.biz-motion.com

Company History

After years of extensive work with some of the most exciting and aspiring overseas brands like AfriGIS or JustShareIt a band of experienced yet young Software Professionals had decided to set something of their own, a venture which would give them the perfect Launchpad to utilize their expertise and exposure of developing and deploying large systems and solutions aiding the businesses in home and abroad. Hence came in to existence BizMotion in 2011.

Vision & Mission

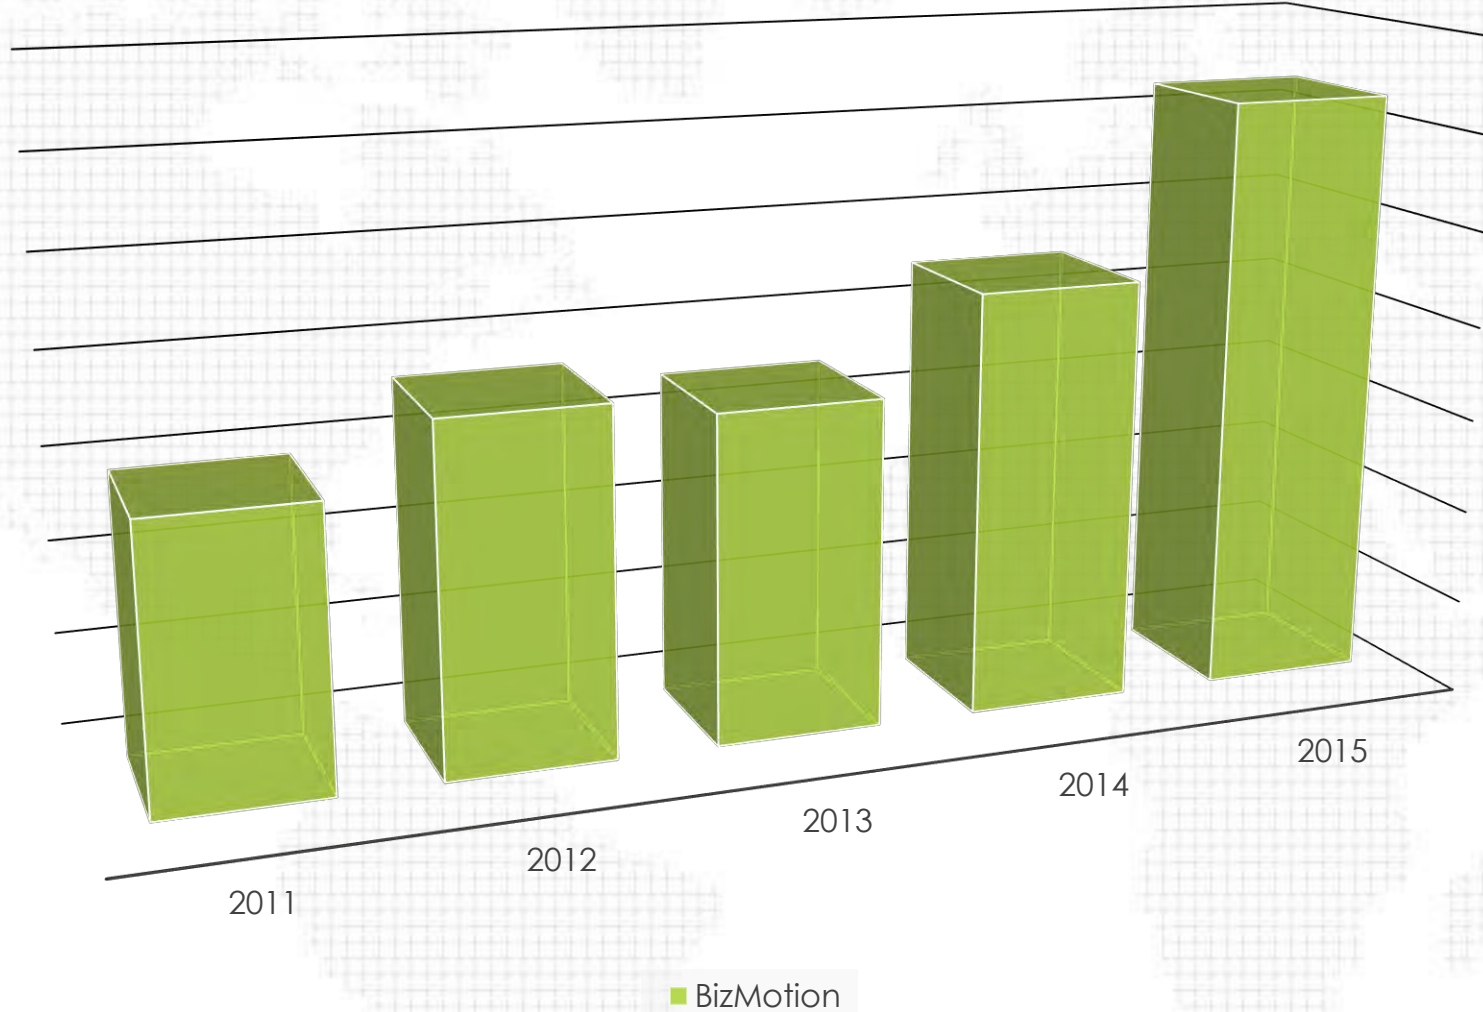

Vision

- We strive to *maximize* returns with maximum *growth* by offering *premium* products, solutions and services in ICT sector that originate from leading edge technologies and leads to *value-added client* partnerships that are of highest satisfaction, of regular term and Attains *pre-eminent, dominant* position in its market

Mission

- ▶ Our mission is to make technology simpler for your business not to create a problem for your business. We strive to make IT technology integrate seamlessly with your business so your business can grow. We want to be your technology partner and want to grow with your growth. So we will work hand in hand with you to support your growth.
- ▶ To be the providers of I.C.T. strategies and services, which deliver long term commercial benefits, based upon our clients key business requirements. The strategies involved should be economical, efficient, durable, flexible and allow the organizations to respond rapidly to both market and customer needs.

Growth & Present Position

- ▶ Growth has far exceeded initial expectations for the half-decade milestone.
- ▶ Present focus is towards providing quality software instead of quantity.
