About Us

Technext Limited is an agile software development firm. We develop scalable web and mobile applications specializing in robust web technologies such as Node JS, React JS, Redux, ES6, AngularJS, Laravel, MongoDB, MySQL, PostgreSQL, React Native, WordPress, Javascript, HTML5 & CSS3. We are also working in the field of big data using Python and SAS.

Our company consists of sharp and agile minds with eager hearts that makes a point to perfect the product at hand. Thanks to these practices we have in short time achieved medium and large scale contract locally and internationally.

Our aim is to satisfy clients with continuous excellence in quality and continual innovation. We have a knack of accomplishing projects promptly and perfectly.
