# Welcome to TutorsInc

We bring education to you at the click of a button or the command of a voice

# Introducing the Management

Syed Noor Alam with 3 decades of experience in the IT World

Maryam Noor Yunus with 2 decades of experience in the field of education

*Education is the most powerful weapon which you can use to change the world"*

## How can the students and teachers benefit from our services

| Pre-recorded Videos                                                                              | Notes                                                                                                     | Solved Topicwise Question Papers                                                                                                                                | Solved Yearwise Question Papers                                                                                                                | Book Solutions                                                                             | One to One Live online classes                                                                                                          | Quiz and Worksheet                                                                         |
|--------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------|
| Videos are recorded, topic by topic, based on the student's course books and exam specifications | Notes on all the topics are prepared by our subject experts to help students understand the topics better | The questions in the past papers of IGCSE and IAL are categorised under different topics as the videos and notes, for better understanding and further practice | The yearwise past papers are solved in order to help students to learn how answers in exams should be structured to achieve the desired grades | This service gives the solution of the exercises in course books that the children follow. | One to One online classes help children to connect to teachers and solve all their problems which pre-recorded videos and notes cannot. | Quiz and Worksheet are designed and uploaded in order to help students test what they know |
