ABOUT US

Information Technology has become one of the most important modern technologies. In recent years, it has not only developed rapidly but also it is being used in various fields of life, such as education, medicine and sports etc. It is very useful for us. If we can get a job related to IT, we can earn more money and have a good future ahead of ourselves. That's why CITC is established in 2013 with a vision to provide IT-related services in Bangladesh and make its mark in the global market as well!

The Company offers you an all-round solution for your IT needs ranging from contact center services to Software Solution and advanced training. Get all your questions answered by our experts who are always available round the clock via live chat or email support system. As far as post-production service goes, Comet IT offers you unparalleled quality at an affordable price that can turn any ordinary event into a memorable one!

- To provide quality IT-related services to the business community and beyond.
- To nurture a culture of innovation in our team members through continual training and development.
- To offer competitive pricing that allows us to be accessible to everyone.
- To elevate the customer experience through our dedication to quality and responsiveness

- To be the go-to IT company for our clients and industry peers.
- To provide quality, affordable services that exceed expectations.
- To be the most responsive and customer service-oriented company in the market.
- To be ambassadors of the latest in IT technology.

- Integrity
- Quality
- Reliability
- Teamwork
- Trust
