

Company background

Regnum Resource was established in the year 2004 primarily as a proprietorship company under umbrella of Sony Chocolate Industries Ltd. to associate with International Road Dynamics (IRD) of Canada to undertake jointly a contract of Roads and Highways department for supply, installation, test and commission first ever Axle Load Control Station of Bangladesh at two locations, Batholi, Manikgonj and Barodarogahat, Sitakunda. Successful completion of this contract and there after opening of scope of axle load control systems in wider perspective, need to upgrade the company became urgent and Regnum Resource was registered and incorporated as a limited company in the year 2007. In a span of only ten years Regnum Resource Ltd bloomed into Regnum Resource group of companies by its inherent quality and modern management concepts associated with its young and talented team members.

Regnum Resource Group by its commitments to quality products and services with self-reliance for company, community and country has always tried to reach close to the liking of people of Bangladesh. Regnum Group concerns: Regnum Real Estate, Regnum Architects, Axle Load Control Systems, Rahmans' Regnum Centre commercial properties by now have built and established their heights in the well-known and trusted concerned circles of technology and commerce. Regnum resource group now contributes significantly in economic growth of Bangladesh, by import substitution, social responsibility participation and development oriented undertakings.

Regnum Resource Ltd mainly specializes in Traffic management system installation, operation and maintenance. It has grown up as the market leader of Traffic Management products and systems technology companies in Bangladesh. It operates and maintains Axel Load control systems by using of world class smart technologies like Slow Speed Weigh in Motion (SSWIM) and High Speed Weigh in Motion (HSWIM). It is the only company that can provide specialized Intelligent Transportation System (ITS) all over the Bangladesh.

It is the only one company certified by the Roads and Highway Department (RHD) for operation and maintenance of Axel Load control systems. It has endeavored to provide maximum level of satisfaction service to Roads and Highway department all over the Bangladesh. Regnum usually use world class smart technologies, computer based updated software and hardware equipment system from International Road Dynamic (IRD), Canada and ESIT, Turkey/(VaaaN Infra, India). Over more than last 10 years, Regnum Resource Ltd had been providing this service to its clients specially RHD with their full satisfaction.

Regnum Resource Ltd. by its quality services in this sector has by now received international recognition of excellence in,

Quality design & technology in assembly, supply, commissioning, operation and maintenance of Weigh in Motion (WIM) & Electronic Toll Collection (ETC), system solutions. & Software development of Axle Load control, weigh in motion (SSWIM & HSWIM) management system, electronic toll management system, online platform management system, electronic toll management system, online platform services for buyer, seller and Govt. projects, with acquisition of the following certificates:

BQC certificate No. 1-OSC 201807003 in compliance to OHAS 45001-2018 requirements

BQC certificate No. B/ITS02 in compliance to ISO 20001:2011 requirements

BQC certificate No. B/ ISO03, in compliance to ISO27001:2013 requirements

LMS certificate No. BD 84127E, in compliance to ISO/IEC 27001:2013 requirements

BQC (IAS accredited) certificate No. 1-QSC 201807016, in compliance to ISO 90001:2015 requirements.

BOQ certificate No. I-ESC201807005 in compliance to ISO 14001:2015 requirements

List of Administrative, Professional, Managerial and Site key Personnel

Board of Director:

Position	Name	Qualification
Chairman	Mohammad Hossain Jony	B.Com (Hons.) M.com
Managing Director/CEO	Mohammad Hossain Jony	B.Com (Hons.) M.com
Director, Development, Operation & Finance	Shadman Sakif	BBA (International Business)
Company Secretary	Abdullah Al Mamun	BBA Finance

Advisors:

Position	Name	Qualification
Technical & Management Adviser	Ram Krisna Basak Rony	B.Sc. in ETE
Consultant, Structural & Construction	Professor Dr. Shofiul Bari	Ph.D in Civil Engineering
Legal Adviser	Md. Jahangir Ahmed	B.Com (Hons.) L.L.B
IT Specialist	Dr Mohammad Naderuzzaman	Ph.D in CSE

Administrative:

Position	Name	Qualification
Commercial manager	Md. Rafiqul Islam	B.Com (Hons) M.Com
Senior Executive	Md. Ismail Hossain Sipon	B.A
Junior Executive	Md. Shahin Alom	Higher Secondary Certificate Exam
Computer Operator	Md. Mirajul Islam	Diploma in Computer Science
Security Supervisor/ In-charge	Md. Yousuf Ali	Higher Secondary Certificate (HSC)
Office Assistant	Md. Yakub Sharkar	Secondary School Certificate (SSC)
Office Assistant	Md. Ramjan Islam	Secondary School Certificate (SSC)
Photocopy Operator	Abdul Ahad	Secondary School Certificate (SSC)
Driver	Md. Rubeel Hossain Md. Rubeel Hossain	Secondary School Certificate (SSC)

Finance :

Position	Name	Qualification
Sr. Executive, Accounts & Finance	Abdullah Al Mamun	BBA Finance
Executive Cash Management	Md. Shaheed Sujon	B.Com
Junior Executive Accounts	Md. Golam Mostafa	B. Com
Office Assistant	Md. Delower Hossain	Secondary School Certificate (SSC)

IT Department:

Position	Name	Qualification
Head IT	Dr. Mohammad Naderuzzaman	Ph.D in CSE
Network Engineer	Rakesh Kumar Sahu	M.Sc. in CSE
Software Engineer	Abdul Momin	B.Sc. in CSE
Hardware Engineer	Nazib Ahmed	B.Sc. in EEE
Sr. Data Entry Operator	Md. Zahid Hasan	B.Sc. in CSE
Software Engineer (Android)	MD Ismail Hossain Sepon	B.Sc. in CSE
Software Engineer (Backend) & Designer	Krishna Koly Acharya	B.Sc. in CSE
Hardware Engineer	Ebrahim kholil Raju	B.Sc. in EEE
Sr. Executive (Marketing & Sales)	Kazi Mohatasim Billah	B.Sc. in BBA
Software Engineer (Android)	Amit Ghosh	B.Sc. in CSE
Sr. Data Entry Operator	Md. Almas Hossain	B.Sc. in CSE
Data Entry Operator	Md. Rakibul Hasan	Diploma in Computer
Data Entry Operator	Md. Shahin Sikder	Diploma in Computer
Data Entry Operator	Mominul Hasan	Diploma in Computer

Rahman's Regnum Centre, Phase-1:

Position	Name	Qualification
Manager	Md. Akhter Hossain	B.Sc in CSE
Executive, Lease management	Md. Aowlad Hossain	BBA (Marketing)
Supervisor, Maintenance	Md.Md. Rasel Ahmed	B.Sc in Civil Engineering
Supervisor, Security	Md. Tofael Ahmed	Higher Secondary Certificate Exam
Technician, Substation/Generator	Md.Forhad Hossain	Diploma (Electrical Short Course)
Electrician	Md. Hasnat Mahmud	Diploma (Electrical Short Course)

Mohammad Hossain Jony
Managing Director
regnum resource ltd.

Store Keeper	Md. Lipu Sheikh	Higher Secondary Certificate (HSC)
Office Assistant	Md. Nahidul Islam	Secondary School Certificate (SSC)
Office Assistant	Md. Nafiz Ahmed	Secondary School Certificate (SSC)

Rahman's Regnum Centre, Phase-2:

Position	Name	Qualification
Project Engineer	Bishawjit Mollik	B.Sc in Civil Engineering
Manager (Audit & Budget)	Mahbuba Sikder Tania	BBA,MBA (Accounting)
Architect (Head of Design)	Mohammad Milton	B.Sc Architecture
Architect	Mrs. Akhi	B.Sc Architecture
3D Operator	Md. Salauddin	B.Sc Architecture
Auto CAD Operator	Mrs. Mitu	Diploma in Engineering
Electric Engineer	Md. Siddik Ali Khan	Diploma in Electrical
Site Engineer	Md. Forhad Hossain Ripon	B.Sc. in Civil Engineering

Axle Load Control Station, Barodarogarhat, Sitakunda, Chattogram. :

Position	Name	Qualification
Operation Manager Cum Director	Engr. Amiya Bhushan Saha	B.Sc. in Engineering(Electrical) M.Sc. in Power Engg. & Mgt.
