ErectOrs Engineers & Architects

Brief Background:

ErectOrs Engineers & Architects (ErectOrs) has been established in the year 2001 and has groomed as a **Premier Consulting Organization** providing consulting and Contracting services from the stage of conceptualization of client requirement, space measurement, to detailed planning, design and implementation of the architecture and engineering for varied and diverse discipline of projects, as required by the varied needs of the clients. Its professional achievements include a number of consulting and turn-key construction assignments spread all over Bangladesh. However, most of the completed projects are at Dhaka.

ErectOrs is governed by qualified and experienced professionals. ErectOrs also has an active panel of associate consultants and advisors who are known nationally and internationally for their expertise in respective fields. ErectOrs has a comprehensive IT Division providing in-house networking and data center related services. ErectOrs is a Panduit, USA authorized re-seller of Panduit brand networking accessories in Bangladesh.

Human Resource:

In terms of **human resource** strength, ErectOrs is now having over 15 members of Architects, Engineers, Planners and Professional staffs of various disciplines, majority of whom are highly qualified, experienced, and skilled with wide knowledge of modern design and effective planning methods. They form a coordinated project team to execute projects with the use of advanced technical resources. Thus the project team ensures that projects of whatever nature are designed and constructed should best suit the requirements of the clients and incorporates the state-of-the-art technology.

Specialization:

ErectOrs Engineers & Architects is specialized in the provinces of design (interior & exterior), construction, and supervision and project management. ErectOrs has experienced serving for clients in both private and public sectors and offering comprehensive package of services to the clients.

Distinction:

Last but not the least, we also value clients' need for "**after sales services**", which we adopt to convert one time client to a lifetime business partner. Ensuring clients' complete satisfaction and thus building relationship is our business motto, which has made ErectOrs a distinct agency in the industry.
