OUR SOLUTIONS & SERVICES

OUR CUSTOMER SERVICE SOLUTIONS

WHAT MAKES US WHO WE ARE TODAY...

Founded in 2003, this company has a team of more than 35+ employees. At Pro Data, we develop innovative and creative products and services that provide total communication and information solutions. Among a plethora of services including web design and development, tailor made applications, ERPs, CRMs, e-commerce solutions, business-to-business applications, business-to-client applications, managed hosting and internet portal management are few that we offer. Satisfied clients around the globe bear testimony to the quality of our work.

As a leader in technology exploring, Pro Data is committed to exporting quality software world-wide.

The general purpose of Pro Data is to develop and promote advanced information technologies for multi-user operation.

Pro Data's business philosophy is to assure the highest quality product, total client satisfaction, timely delivery of solutions and the best quality/price ratio found in the industry.

Our emphasis is on offering a high degree of product user friendliness through a positive, creative and focused company staff.
