

LifeSpring Tech Limited is a leading, highly innovative IT Company believe in innovation, systems integrator and technology provider, established to provide leading edge intelligent technical solutions and consulting services to businesses, organizations and government in order to allow the efficient and effective secure access and communication with various heterogeneous information resources and services, anytime and anywhere.

Our Mission & Vision

Our Mission is to achieve the reputation of a quality, high standard & reliable solution & service Provider Company in the ICT industry.

Our Vision is to achieve 100% customer satisfaction by delivering quality products and services at an affordable cost. Our forward vision is to strive to become an entity in technology based corporate solutions, capable of demanding unconditional response from the targeted niche. We also believe that for our scope of improvisation – sky is the limit and we are always ready to take our achievements to the next level. We are growing and would always like to remain on the growing streak.

Our keys for development:

- Desire for Excellence
- Trust and confidence build-up
- Innovation
- Transparency
- Teamwork

We believe in

- Motivation
- Collective responsibility and leadership
- Professionalism and ethics
- Adding values to our client needs

ICT CONSULTANCY

We consult for high-end technology implementation at clients' site or implementation of new technology according to the clients' requirement or upgrading, enhancing the existing facilities in the clients end with the new technology integrated with the existing one.

- Strategy planning
- Assessment
- Procurement
- Re-engineering solutions
- Planning, audits, best practices etc.

SOFTWARE DEVELOPMENT

Beside the hardware and network solutions; with design and development expertise in diverse platforms, best-of-breed tools and techniques, combined with industry best practices, LifeSpring Tech Limited offers scalable end-to-end application development and management solutions from requirement analysis for deployment and rollout. We are developing software, related to garments- production management, commercial jobs, buying, accounting software for trading, manufacturing house and conglomerates. We hope to come to you with desired software at a reasonable cost. APSIS's services span the following application lifecycle stages:

- APPLICATION DEVELOPMENT – Providing end-to-end development from requirement analysis for deployment and rollout.
- APPLICATION MAINTENANCE – Changing or enhancing software to meet changing or increasing business demands in the post-rollout phase of an application
- APPLICATION SUPPORT – Providing first, second, third line support and on-call support. On-call support further includes Gold (24x7), Silver and Bronze support.
- APPLICATION INTEGRATION/MIGRATION/TRANSFORMATION – Replacing, migrating and integrating legacy or bespoke systems with COTS products.
- APPLICATION MANAGEMENT – The application management layer cuts across all software engineering activities listed above. LifeSpring Tech Limited takes complete ownership of the outsourced suite of applications as per the agreed scope and manages the support. This typically involves transition management, project management, proactive risk and scope change management, quality management, SLA management etc.

NETWORK & INFRASTRUCTURE SERVICES

Growth in the Solution Integration (SI) services market is fueled by the need for seamless business processes across an organization's complete value chain of customers, partners, suppliers, and employees.

HARDWARE SALES & SUPPORT SERVICES

We offer servers, computers, computer accessories and services by sourcing from local market and from international market as well.
