WHO WE ARE:

Themewinter is a leading software company dedicated to creating innovative solutions using cutting-edge technologies in the WordPress marketplace. Our high-quality WordPress themes and plugins have gained popularity globally by serving thousands of WordPress users. Over the years we have built a community of experienced professionals and satisfied customers who love building and using our products.

Focusing on customer-centric solutions, we have built an array of products for the WordPress marketplace to assist all kinds of businesses to scale. At the heart of our company is our team of dedicated professionals working as developers, designers, marketers and support engineers to revolutionize the WordPress industry with their ingenuity and hard work.

OUR JOURNEY:

Themewinter was founded in 2013 and began its journey on Envato Marketplace. Our main products at that time were Joomla Templates, HTML Templates and WordPress Themes. Since then, we have become the 10th Level Author on Envato Market with 25,000+ customers worldwide which is growing every day.

From 2019, we have been focused on creating a compelling WordPress Plugins Business. With over 42+ theme and plugins, we have grown into a team of 19+ members who are continuously developing new ideas and solutions. Our mission is to develop user-centric themes and plugins using latest development trends and best practices to contribute to the WordPress community.

WHAT OUR CUSTOMERS THINK ABOUT US

“Great plugin with many functions, works perfectly fine and has super friendly support!” - **@chiizukeeki**

“The team went above and beyond to make sure I was satisfied with the plugin. This is the only plugin that I found coming close to matching our requirements and I am looking forward to being a long-term customer.” - **@heritageestate**

“Unarguably the best plugin and best support from a dedicated and customer-friendly team.” - **@arifemmsolutions**

“So, I installed the PRO version of this plugin a few days ago. I had some little issues and might even have helped to improve the plugin further. The support team was great and very responsive. My issues have been resolved quickly. Now I look forward to future updates and more functionality. Thanks a lot!” - **@rmiarka**
