THINKING & PLANNING

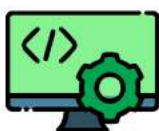

Simsan, the Founder & Leader of Glossy IT, began his career as a Freelance Web Developer in 2010. In 2012, he established Glossy IT, Demonstrating his strong management vision for the future. With a creative and analytical talent, he has played a pivotal role in the company's successful growth.

Simsan Mallick is a highly skilled web developer proficient in various technologies, including PHP, MySQL, Joomla, WordPress, and WooCommerce. He founded successful ventures, Glossy IT and Dhorony Limited, after beginning his career as a freelancer in 2010.

In 2011, he established Bangladesh Tech, later rebranded as Glossy IT, demonstrating his entrepreneurial prowess. In 2013, he expanded his portfolio with HostClad, a web hosting company linked to Glossy IT. His tech expertise earned him the 2014 BASIS Outsourcing Award.

In 2022, Simsan's ambitious move to relocate Glossy IT's headquarters to Dhaka, Bangladesh's capital, demonstrated his commitment to expansion, while the Meherpur office continues as a branch. His journey reflects adaptability, skill, and a dedication to excellence in every endeavor.
