

IMPORTER OF ALL KINDS OF
NETWORKING EQUIPMENT

Business Profile

Date: 11/08/2021

Having launched CIMPEX International from 28th July, 2021 with myself as the Proprietor, I have authorized my husband, Tahsin Alam Chowdhury as the Vice-President of the company who is also the co-founder of Lights Network Solutions (Network Consultant & Equipment Retailer) and Lights Communication Limited (An ISP with 3000+ clients) to act on my behalf.

CIMPEX International is responsible for sourcing and importing various networking equipment like high-quality cable, optical fibre, ONU devices, OLT, Router, etc. necessary for providing excellent internet service to boost IT development in Bangladesh

Area of Operation

Our major areas of operation are Dhaka, our official address, but we are also operating all over Bangladesh with the support of Mr. Tahsin's business network, expansive experience in IT sector and three (3) office branches present across Dhaka, Sylhet and Habiganj districts. Our sole purpose as CIMPEX International is to import and provide the best ISP equipment to the market.
