Jets Next is a promising web & e-commerce service provider targeted at the global and local marketplace, providing cutting edge custom and general web hosting solutions tailored to drive your business growth.

## **When we started! Where did all start?**

Way back 2005, we started as a small experimenting group for the visualize and analyze growth of online business, using Bangladesh that was our primary location then as a case study. We introduced our services to various people within and outside Bangladesh through online in a trial basis. Although we were discourage on the turn-up; but we remained in business.

Between 2020 and 2021, we were able to work with so many international and Bangladesh companies that engages in domain registration, web hosting and servers sales. We had many issues with our clients because our hosting providers were giving us far less quality hosting services. As from 2021, when a group of dedicated team came together to join full force in ideas and finance, Jets Next was born. We analyzed the problem of all the webhosting companies in the world including Bangladesh, identified the solutions to the problem; then we built our own server and experimenting it for two year, then we were able to win majority clients around the world. Since 2020, our full and most rugged data center servers was built, and some of Nigeria Banks, Corporate Organizations, Schools and Many more uses our servers and web hosting services to power their websites and web applications. This great achievements has given us recognition in providing our solutions to every level of users. Now we are grateful we made it this far and continue strong! Thank you all for supporting and patronizing us!

## **Our tomorrow: What will the future bring?**

In Jets Next we believed in positive thinking and we know we can make it. We believed in how well, not how far. Many companies that were there before us, are not anywhere near us now, we believe in quality and we spend money to get quality. Today, we celebrate a years of 100% sever uptime, 24/7/365 days customer support and full customer satisfaction. Yesterday we were at the fore back, today we are here overtaking the remaining, tomorrow we shall be at the foremost front; so that when you mention our name: Jets Next; everybody will tell you we know them!

## **Products and Services**

### **Ultra-Fast Web Hosting**

Our hosting services rival the best in the world. We strive to provide the best usability, security, add-ons and features to our user to guarantee the best customer service experience.

### **CMS Hosting**

Our CMS hosting provides customized environment for your CMS based website. Supporting Joomla, Wordpress, Drupal, Xoops, Mambo or any other Content Management System, we provide unique hand-made solutions. We'll make sure that the CMS of your choice runs smoothly on our servers without any hiccups, so that you can just sit back, relax and enjoy your Cappuccino!

### **Windows Plesk Hosting**

Plesk is a Windows based web hosting solution that gives you the ease of managing your web hosting account with ease and relatively low cost. Windows web hosting has evolved from an application specific service to a daily used, affordable, multi-environment platform. Its popularity in recent years is mainly affiliated with the increased use of the Plesk Control Panel.

### **Virtual Private Servers**

The virtual part here simply means that it is not a dedicated server - that is, the entire computer is not dedicated to running the server software.

Again, VPS at Jets Next is special in its own way –

- Free Basic Management
- Smart Control Panel
- Unmetered Bandwidth
- Quick Setup

### **Dedicated Servers**

Dedicated server is a type of Internet hosting in which the client leases an entire server not shared with anyone else. This is more flexible than shared hosting, as organizations have full control over the server(s), including choice of operating system, hardware, etc.

Such servers have various advantages –

- Choice of OS
- Highly Customizable hardware configuration
- Administrative Access
- Advanced Technical Support
- Better Performance
- Greater Reliability
- Custom Configuration
- A Service Level Agreement

### **Cloud Servers**

In quite some respects cloud servers work in the same way as physical servers but the functions they provide can be very different. When opting for cloud hosting, clients are actually renting out virtual server space rather than renting or purchasing physical servers. They are usually paid for by the hour, depending on the capacity required at any given time.

### **Partner Programs**

When it comes to Partnership programs, we understand that one size does not fit all. Hence Jets Next offers two verticals of partnerships –

#### **1. Affiliate Program**

Jets Next Affiliate Program allows one to earn money by referring customers to Jets Next through banner ads or text links on their Website or within their email. We provide the affiliates with the code for these banner ads or text links, each with the affiliate's unique Affiliate ID. When the links in the affiliate website generates sales, Jets Next recognizes their efforts with a commission. Our risk-free affiliate program pays the affiliate partner for sending their customers to our website. We do not charge any fees for our affiliate program and it's easy to set up.

## **2. Reseller Program**

Jets Next reseller program is designed for individuals or companies who wish to sell/lease Ultra-fast hosting/ VPS / Dedicated servers. This means they will be able to lease our services at a discounted price and then resell it to their customers. Starting with the 3rd purchase, Jets Next's Resellers will receive discounts each month on all future purchases. We automatically enroll them to the reseller program once they have met the criteria within one billing account and we email back a coupon code that will be applied to all their packages and one that they will be able to use for all future orders as well.

## **Special @ Jets Next**

An open flow of ideas always does the world good. Not just ideas that can change the world. Ideas that make life easier for people we work with – our partners, clients and service providers.

At Jets Next, we tend to make sure things are crisp and perfect. In a competitive field, we try to be the best and do our best. Here are the top reasons why Jets Next's special.

- **24/7 Support**

We understand the fact that the hosting industry faces lots of technical issues from time to time. To ensure that our customers are least affected by these, our technical team is available for support round the clock and all the queries are given first priority no matter what the issue. Just drop Jets Next a ticket and carry on with your work. The team here will resolve the issue as soon as possible.

- **Conditional Money Back Policy**

We are pretty confident that our products and services will rise up to your complete satisfaction. However, if you ever feel unhappy or no longer need our services, we offer a full refund within 30 days of activation of your services, no questions asked.

- **Affordable Pricing**

We do not believe in overpricing and making undue profit. We can ensure that you will find the best deals with us, totally incomparable to the ones you get anywhere else.
