Company Profile

Datasource Software Ltd is devoted to provide state-of-art IT, web development and ERP solutions to satisfy the clients. Our tailored services are cost effective for the business from day to day activities to the future. Our unique heritage, years of combined experience, financial infrastructure and agile team ensure to deliver software and website services to wholesale distributors, third-party logistics companies, retail businesses, tourism industry, cargo and freight forwarding companies, hospitality industry and media moguls.

We develop **Best ERP Software** in Bangladesh to help our customers become world class businesses and compete on an international level. Our world-class ERP software helps facilitate your business processes. We offer an array of customizable solutions and tailor it as per your business requirements so that you function without any hassle. Beside, we provide catchy web solutions which are easy to operate. Our IT support service assures 100% high level professionalism to build your persona in the wave.

In creating unique identity we are the trusted partner.

Apart from that, **Datasource Software Ltd.** empowers businesses with seamless process management in its entirety from production to delivery. A full-fledged training will help your employees to understand how to operate the software with ease and work to the best of their abilities. We are determined to serve you in every possible way we can, so that you can keep up with the contemporary IT generation.

Since **Datasource Software Ltd** starting time our whole team has been working hard to achieve the goal of "Digital Bangladesh". From the beginning, our sole motive has been to comply with the needs of our respected clients. We serve our clients with utmost sincerity and due respect and are always ready to fulfill all their demands.

We believe in business relation. Therefore, our service team is ready from 24/7 for satisfying clients without putting them in delay.

Company

LEADERSHIP STRATEGY FOR THE COMPANY

Customer satisfaction is our number one priority with all of our products and services.

We are dedicated to provide high quality solutions and services by understanding and prioritizing customer needs.

We are committed towards extra efforts to meet the required timeline schedules.

We strive towards introducing Silicon Valley innovations in design, architecture and delivery, while maintaining Bangladeshi craftsmanship and cost advantages.
