COMPANY GOAL

Information Technology (IT) has become integral to nearly every aspect of business operations for modern organizations. E-commerce businesses, public figures, corporate companies, and even academic institutions are also relying on the power of technology to run day-to-day operations and meet instant and long-term goals. We are a group of IT professionals, who are assisting many companies and individuals by providing solutions and services for the last 6 years. We'd like to provide extensive, personalized, and sustainable solutions at a reasonable cost for everyone and build a strong digital economy together.

OUR MISSION

Information Technology (IT) has become integral to nearly every aspect of business operations for modern organizations. E-commerce businesses, public figures, corporate companies, and even academic institutions depend on technologies to run day-to-day operations and meet instant and long-term goals.

OUR VISION

We served a significant number of companies and individuals by providing IT solutions and services for the last six consecutive years. Our mission is to provide personalized and sustainable solutions at a reasonable cost for everyone and build a stable digital economy together.

WHY CLASSIC IT ?

Dedicated and experienced team

We have an extensive, experienced, and well-educated team of professional engineering, admin, HRM, and business team.

Proven Work History

We're leading the industry with a proven work record and a strong client base domestically and globally.

Engaging Client Strategy

We believe, act, and promise that clients are king. We provide personalized and lifetime pre-defined support to our customers

Company Culture

The secret of our success, development, and growth is our employee-friendly and learning company culture and system.

WHAT WE DO ?

We offer custom website design & development, software development, mobile app development, domain registration & dedicated hosting service, graphic design, social media marketing, ads, and other on-demand IT services.

Grow your business better than ever with Classic IT

We have helped a number of non-technical individuals, organizations, and companies improve their business performance and quickly win new customers.

Our Service methodology makes business grow fundamentally creating economic value.

ABOUT THE COMPANY

We are one of the leading IT service providers in Bangladesh with a proven track record of experience and a client base. We have an embedded team of 65+ experts in several departments. All the teammates are highly professional, educated, and experienced in working practices.

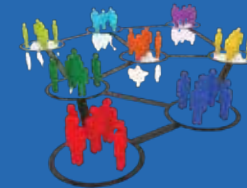

Clients' capabilities, requirements, and satisfactions are our first concern. Our customer care executives are trained engagingly and support clients all time based on their queries.
