Ananda SoftBD

Marziana Bhabon, 2/1, Aliya Madrasha Road, Mymensingh.

AnandasoftBD developed sustainable Cloud-based software using PHP,CSS, JavaScript, mysql, Laravel framework. Also developed offline based customize software using .Net C#, Crystal Report, SQL Server for any kind of customer where is no internet connection., Share Point and RMS based projects in the following verticals: Retail, Finance, Manufacturing, Health Care and Education. We have highly skilled team of Project managers, Consultants and Developers which are proven on a large scale projects with more than 100 users.

We also have special expertise in custom software development – providing specialized products, IT services and custom end to end solutions to our enterprise customers. We gain competitive advantage from these distinctive capabilities and have developed the ability to implement and manage complex IT systems in changing times with greater effectiveness than many competitors. In the last 10 years Ananda softBD worked on more than 20 projects and has a large customer base of more than 100 customers all over the country, offering considerably lower priced services than Dhaka Industry norm.

Ananda softBD is a company which intends to be in front of the client's needs, deeply understanding clients' requirements and delivering and optimizing IT solutions from the initial phase of scoping the requirements, up to the final delivery, maintenance and continuous upgrade. Infinite always look at the things from the customer perspective, but also from customer's customer perspective to grasp their real business need for the IT solutions they deliver.

Our team operates with enthusiasm and flexibility. We are focused on our customers, being their reliable partner for IT services and solutions, working together on a partnership basis, helping them face the challenges of the modern times. Beside in Mymensingh, Ananda softBD has clients from Dhaka, Trishal, Jamalpur, Netrokona, Haluaghat etc.

Mission

AnandasoftBD' mission is to enhance the business operation of its clients by developing and/or implementing premium IT products and services. Ananda softBD's mission includes:

1. Providing high quality software development services, professional consulting and development outsourcing that would improve our customers' operations;
2. Making access to information easier and securer (Enterprise Business);
3. Improving communication and data exchange (Business to Business);
4. Providing our customers with a Value for Money and
5. Providing our employees with meaningful work and advancement opportunities.

Vision

AnandasoftBD is a leading IT company for Consulting Services and Deployment of best of breed Automation Solutions to top tier customers.

History

“ঘরে ঘরে ডিজিটাইজেশন”Ananda SoftBD started working in Mymensingh division in 2012 with this slogan. Most of the software firms are Dhaka-centric and the services are also Dhaka-centric. The dreams of digital Bangladesh will no longer come true, if all the districts and upazilas of Bangladesh are out of digitization. At the time of Ananda softBD started, most of the people of Mymensingh had no idea about automation. Ananda softBD took various steps including creating awareness among the people and gradually increasing their confidence and interest in technology. After working for eight long years, it became a success. At present, the people are showing great interest in software and the fears about technology have largely disappeared. He started working towards that goal first for educational institutions and then gradually for hospitals, clinics, diagnostic centers, business solution, advocacy for lawyers. In Corona Pandemic, develops an online medical advice and prescription system for doctors and e-commerce site for daily product purchases. During the korbani, AnandasoftBD develop online animal hat for DC Office, Mymensingh, on a digital market for korbani animal. During the last 10 years, AnandasoftBD has successfully implemented more than 20+ projects.
