

COMPANY PROFILE

MAGIC IMAGE: 20 YEARS OF ENCHANTING BANGLADESH

COMPANY INTRODUCTION

Magic Image

Born in pixels, Magic Image has been weaving enchanting stories for 20 years. We're Bangladesh's animation powerhouse, crafting captivating tales across media and games. From hand-drawn wonders to heart-pounding shooters, each creation bears our hallmark: vibrant art, gripping narratives, and gameplay that ignites imaginations. Beyond pixels, we empower young talents, spark creative flames, and believe storytelling is a superpower. As we journey into virtual worlds and beyond, one thing remains constant: our unwavering belief in the magic of stories, pixels, and the enduring bond between creators and audiences. This is Magic Image, where imagination takes flight.

With every brushstroke, every code line, every frame,
Magic Image breathes life into the fantastical. Believe in the extraordinary.

OUR ACHIEVEMENTS

Pioneering Animation-Magic Image proudly carved its name in history with "Tratuler Jagat," on 2002 the nation's longest animated feature film.

PC Gaming Dawn-Magic Image team worked the nascent PC gaming scene with "Arunodoyer Agnisikha," the first-ever first-person shooter game developed in Bangladesh on 2004.

One milestone of Passion-On 2023 Teaming with the ICT Ministry, Magic Image painted a landmark milestone with "KHOKA," a vibrant animation honoring Bangabandhu's life and spirit.

Armed Force Anirban-For four years, Magic Image has proudly woven courage and service into animation, crafting "Armed Force Anirban" to celebrate Bangladesh's Armed Forces Day.

Turn your vision into a masterpiece.
