Why NGen IT | The Profile

Faith. Confidence. Skill.

Why NGen IT?

Our objective is simple - PACING WITH NEXT GENERATION TECHNOLOGY. We have experienced through lots of clients, products & services in past 12 years. With continuous training & research, developed adequate knowledge to support our valued partners & customers.

Our commitment is simple - TO BE YOUR SERVICE PARTNER, NOT the Material Supplier. With the partners & customers' trust, we have grown rapidly and achieved the good reputation. Growing with partners is a tremendous inspiring in this IT sectors. When Client relies, it's a sky-reach! But we are not satisfied till we continue with them for long term. We do not satisfy till we feel they expect more of our services.

Having R&D & Enterprise Engineering Division with expert Sales & Presales team who can assist your queries and your required guidelines along with Project Manager & Other Team members.

Our History:

- Established on 2009
- Technology based Company
- Partner of 35 Principal Vendors
- 100+ Valued Customers
- 45+ Local & Int'l Resellers

BUSINESS LOCATION:

- Dhaka, BD 1
- Chittagong, BD 2
- Kathmundu, Nepal 3
- Thimpu, Bhutan 4
- Singapore 5
- Saudi Arabia 6
- California, USA 7

Our operations

Within 12 Years of development, we have extended our business out of the country. We are the Distributor / Reseller partner of #1 several Software principals. We understand our Partners & Clients, not only by their requirements but with their benefits.

Since established in 2009, we are have provided lots of software licensing solution with Premier support services & corporate trainings. After 2012, we have started business in Nepal, Bhutan, Myanmar areas by networking with reseller partners. From 2014, we have extended business in Singapore & USA. Currently, we have 100+ clients through 45 partners in 5 countries.

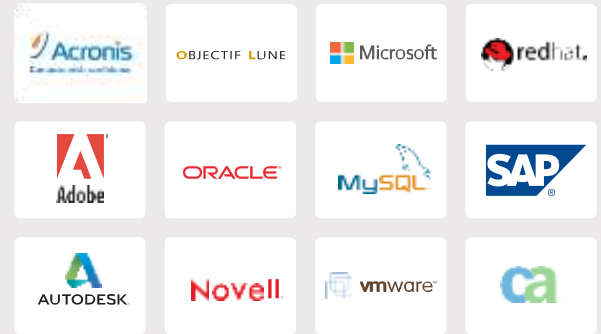

Having R&D and Enterprise Engineering Division with expert Sales & Presales team who can assist your queries and your required guidelines along with Project Management & Other Team members, we are confident to serve your organizations' need.

Our Principals

Principal support is very much important due to provide best Licensing Solution, Price & High-End Technical Support. We maintain the best relationship to serve the best to our Partners & Clients.

Partnered with Different Sectors -

- Backup & Recovery - Acronis, dbVisit, Veeam
- Statistical - EViews, Stata, SPSS, MiniTab, Tableau
- Cybersecurity - Tenable, Rapid7, Defensys
- NMS - WhatsupGold, ManageEngine, Solarwind
- Graphics - Adobe, AutoCAD, Maxon, CorelDraw
- Management System - ObjectifLune, PitneyBowes
- Hardware - Exida, Metrikon, Cordex, Telpo, Lindy

Our Resellers

Our Partners are the gateway of our clients. We maintain the channel of Sales when a Partner goes to a client. Direct client sales is only the focus when our partners are not capable or in to a client's requirements.

What are the Partners:

- | | | |
|---------------------|----------------------|-------------------------|
| □ LEADS | □ Intimacy Computer | □ Aamra Technologies |
