About us

Impressive Security Ltd. was established in the very beginning of 2012, and was registered as a company in the same year on September. Impressive Security Ltd is a 100% private limited company under the Company Act. 2004 and operated. From humble beginnings Impressive Security Ltd. has grown from a "small operation" into an organization that boasts a modern range of It and security products and services to accommodate the ever changing daily needs of human being and the environment in which we live.

Vision

Our vision serves as the framework for our Roadmap and guides every aspect of our business by describing what we need to accomplish in order to continue achieving sustainable, quality growth.

People: Be a great place to work where people are inspired to be the best they can be.

Portfolio: Bring to the world a portfolio of quality security services that anticipate and satisfy people's desires and needs.

Planet: Be a responsible citizen that makes a difference by helping build and support securable communities.

Profit: Maximize long-term return to shareowners while being mindful of our overall responsibilities.

Productivity: Be a highly effective, lean and fast-moving organization.

Business goals and objectives

Within legal requirements, our employees will go to all lengths to protect and serve our clients and their communities. We have a big dream of being the most admired and market leader in provision of total security solutions. Starting with small communities, Impressive Security Ltd. promises to deliver an unparalleled service which will lead us to achieving this goal.

“

With a GPS fleet tracking system, businesses can monitor time spent at job sites or at loading bays and work to ensure drivers are more productive. Also, by ensuring the nearest vehicle is routed to a job, businesses can eliminate waste. Digitizing important workflows is another way to increase productivity.

”
