

Company Profile

Company Outline

TwinForce Solutions Limited, established in 2022, a leading provider of Salesforce development, support, and training services. With a team of over 20 experts, TwinForce Solutions Limited has extensive experience in various Salesforce cloud services, including Sales Cloud, Service Cloud, Experience Cloud, Field Service Lightning, Nonprofit Cloud, Marketing Cloud, MuleSoft, and more.

TwinForce Solutions Limited has worked with a range of US-based companies, including BearRobotics, Rouxbe Culinary, TSOGIANTS, and others, providing customized solutions tailored to each client's unique business needs. Our Salesforce experts work closely with clients to understand their business processes and goals, develop a Salesforce strategy that drives results and maximises ROI, and provide ongoing support and training to ensure that clients can fully leverage the capabilities of Salesforce. TwinForce Solutions Limited has successfully undertaken various projects, including the development and management of the online dictionary BDWord and notable Salesforce projects for clients such as Bear Robotics US, AgVantage Australia, Travel Raro European Travel Agency, Montreal Life Financial Group, and abiturma.de.

Services Offered

BDWord - Online Dictionary:

TwinForce Solutions Limited takes pride in developing and maintaining BDWord, an advanced online dictionary catering to a diverse user base. BDWord offers a user-friendly interface and a vast database, making it a reliable resource for language enthusiasts, students, and professionals.

Salesforce Expertise:

TwinForce Solutions Limited specialises in Salesforce projects, leveraging its expertise to enhance business processes and customer relationship management. The company has successfully collaborated with renowned organisations such as Bear Robotics US, AgVantage Australia, Travel Raro European Travel Agency, Montreal Life Financial Group, and abiturma.de, providing tailored Salesforce solutions to meet their unique business needs.

TwinForce Tutorials – Salesforce Learning Hub:

As part of our commitment to knowledge-sharing, TwinForce Solutions Limited operates the TwinForce Tutorials YouTube channel. This platform serves as a valuable resource for individuals and businesses seeking to enhance their Salesforce skills. Our comprehensive video tutorials cover a wide range of topics, ensuring that viewers can stay updated on the latest developments and best practices in the Salesforce ecosystem.

Notable Projects

Bear Robotics US:

TwinForce Solutions Limited collaborated with Bear Robotics US to implement Salesforce solutions that streamlined their operational processes, ultimately contributing to increased efficiency and customer satisfaction.

AgVantage Australia:

Working closely with AgVantage Australia, TwinForce Solutions Limited delivered customised Salesforce solutions, empowering the company to manage its agricultural operations with greater precision and effectiveness.

Travel Raro European Travel Agency:

TwinForce Solutions Limited played a pivotal role in optimising Travel Raro's customer relationship management through Salesforce, enhancing their ability to provide personalised and seamless travel experiences.

Montreal Life Financial Group:

In collaboration with Montreal Life Financial Group, TwinForce Solutions Limited implemented Salesforce solutions that facilitated smoother financial operations and improved client interactions.

abiturma.de:

TwinForce Solutions Limited partnered with abiturma.de to create tailored Salesforce solutions, supporting the organisation's goals in the education sector.
