Fonts

Alfa Slab One

Lato

Font "Alfa Slab One" is used for logo design & Lato used for general usage example - web content, stationary, banner, flyer etc.

We are planning to take action against to Parkchester South Condominium and its management due to its dramatic increase of maintenance fees by 15.19%. It is a record breaking amount. After living there for decades, I now am an owner of a few apartments where I previously resided. I am thinking of our those that simply cannot afford this shift that will make the cost of living even more difficult. An increase by over 15% will inevitably endanger the living situations of countless people just like many of my friends and family who have learned to call Parkchester South Condominium home.
