- ✓ 15+ Years of Excellence

CEO's Message

Since 2007, **NBY IT Solution** has grown from a small office in Dhaka into a global digital production and outsourcing partner, serving clients across North America, Europe, the Middle East, and Asia. Our journey has been built on resilience, innovation, and a commitment to excellence that continues to guide us today.

Every challenge we faced became an opportunity to evolve, strengthening our expertise, expanding our reach, and reinforcing the trust our clients place in us. From e-commerce and healthcare to automotive, architecture, and beyond, we are proud to empower industries worldwide with scalable, cost-effective solutions.

As we look to the future, our mission is clear: to leverage advanced technologies and creative strategies that deliver real impact for businesses everywhere. With a global team, strong partnerships, and an unwavering vision, we believe the best is yet to come.
